Security

If expecting guests on the Sabbath please advise security in advance so they will be allowed access to the building.

Emergency Exit

The Fire Department of Miami Beach has required Tower 41 to install an emergency exit from the lower deck. This exit is to be used for emergency purposes only. Thank you for your cooperation.

Pool Deck Safety

You are reminded not to take any glass bottles or containers to the pool deck area. This is for your safety and the safety of other users of the pool area. Recently, a glass bottle was thrown into the garbage can. It missed the can and resulted in broken shards of glass strewn over the pool deck area. Please be considerate to the safety of all users of the pool area.

Shalach Manot

When sending Shalach Manot to residents of Tower 41 please make sure their name and unit number are clearly marked on the package to facilitate and insure proper delivery.

Tower 41 Newsletter

If you have anything special you would like to share with the residents of the Tower 41 Condominium, please let the manager know by the last day of each month so we can include it in the following month's newsletter.

Don't Forget...Spring Forward...Fall Back...

Beginning in 2007, Daylight Saving Time was extended one month and begins for most of the United States at 2 a.m. on the **Second Sunday in March** and lasts until 2 a.m. on the **First Sunday of November**.

Be sure to set your clocks ahead one hour at 2 a.m. on Sunday, March 13th.

This is also a great time to change the batteries in your smoke and carbon monoxide detectors. Many fire departments encourage people to change their batteries in these detectors when they change their clocks, because it can be so easy to forget otherwise. "A working smoke detector more than doubles a person's chances of surviving a home fire," says William McNabb of the Troy Fire Department in Michigan. More than 90 percent of homes in the United States have smoke detectors, but one-third are estimated to have worn-out or missing batteries.

Recipe: Short On Time Hamentashen

Ingredients

- 1 (18.25 ounce) package moist yellow cake mix
- 1 cup all-purpose flour
- 2 eggs
- 2 tablespoons water
- 1 cup fruit preserves, any flavor

Directions

1. Preheat the oven to 375 degrees. Grease cookie sheets.
2. In a large bowl, mix together the cake mix and flour. Stir in the eggs and water to form a stiff dough. On a lightly floured surface, roll the dough out to 1/8 inch thickness. Cut into 3 inch round circles and place 2 inches apart onto the prepared cookie sheets. Place a teaspoon of filling into the center of each cookie and pinch the sides to form three corners. Moisten with water if necessary.
3. Bake for 6 to 8 minutes in the preheated oven, or until lightly browned. Allow cookies to cool for 1 minute on the cookie sheets before removing to wire racks to cool completely.

Valentine Food For Thought

Cabbage always has a heart; Green beans string along.
You're such a cute tomato, Will you peas to me belong?

You've been the apple of my eye,
You know how much I care;

So lettuce get together, We'd make a perfect pear.
Now, something's sure to turnip to prove you can't be beet;
So, if you carrot all for me let's let our tulips meet.

Don't squash my hopes and dreams now,

Bee my honey, dear;
Or tears will fill potato's eyes,
While sweet corn lends an ear.

I'll cauliflower shop and say, Your dreams are parsley mine.
I'll work and share my celery, So be my valentine.
