Happy Thanksgiving

The Tower 41 Board and Management would like to offer our best wishes for a juicy turkey, a splendid gathering of friends and family, and triumphant victories for your favorite football teams this Thanksgiving Day.

We hope you have the happiest of Thanksgivings.

Happy Hanukkah - Happy Holidays

Did You Know?

- The Mayflower had a partner ship when it sailed in 1620. The Speedwell also started the trip for the New World, but was forced to turn back because it leaked so badly.
- At the first Thanksgiving feast, the guests brought most of the food. When the Native Americans arrived, there was not enough food for everyone and the Wampanoag chief, Massasoit, sent his men home for more supplies.
- The party lasted for three days. The Pilgrims and their guests spent the time playing games, shooting guns, and of course, eating.
- It was two years before the Pilgrims had another "thanksgiving" celebration, this time to commemorate the end of a drought.

Tower 41 Newsletter

If you have anything special you would like to share with the residents of the Tower 41 Condominium, please let the manager know by the last day of each month so we can include it in the following month's newsletter.

10 Steps to Computer Security

Computer Security Day is an annual event begun in 1988 that was designed to remind everyone who uses a computer to protect their computer and their data. This year, Computer Security Day is on November 30th. Protecting and backing-up data seems simple enough, but is easy to forget until disaster has struck. To add some security to your computer environment, take these simple steps on this day:

1. Change your password.
2. Update your anti-virus program and check for computer viruses.
3. Back-up your data.
4. Delete unneeded files.
5. Write-protect all diskettes that are not to be written to.
6. Install and inspect your power surge protection.
7. Eliminate dust from your computer area.
8. Register all commercial software used on your computer.
9. Install all security-related updates to your computer's operating system.
10. Share this information with a family member, friend, or colleague.

Turkey Tutorial

Since 1981, Butterball has operated its Turkey Talk-Line, offering turkey selection, preparation, and storage advice to callers from the United States and Canada. If you find yourself wondering what to do next as you prepare your holiday meal, give the nice folks at Butterball a call or visit their website. They are available for questions from November 3 to December 26, and offer assistance in English and Spanish. Callers can also request a free Butterball pamphlet containing safe handling information, easy grilling and roasting instructions, and tasty recipes. You will become one of almost three million people who have contacted Butterball to "talk turkey."

A Thanksgiving Blessing

May your stuffing be tasty
May your turkey plump,
May your potatoes and gravy
Have nary a lump.
May your yams be delicious
And your pies take the prize,
And may your Thanksgiving dinner
Stay off your thighs!
