## GET AN INSURANCE CHECKUP

Just as your body needs a checkup once a year, you should consider giving your insurance the once over occasionally as well. People's lives can change very rapidly. But one thing many of us forget is to adjust our insurance coverage along with these changes. If it has been several years since you've sat down and reviewed your insurance coverage, now is the perfect time.

Start with your life insurance. If the number of dependents you have has increased due to a new birth or a marriage, you will need to consider both the amount of life insurance you have, and who is named as beneficiary. If your children have grown, you may find that you no longer need the same type of insurance that you had before. If you are approaching retirement or are already retired, consider sitting down with an insurance professional to determine whether you have the right coverage for you-you may find that the type of insurance you have is no longer necessary.

Next, take a look at your auto insurance. You probably obtained collision insurance when you bought your new car. It makes sense to carry this type of insurance on newer models of cars. But as your car ages, this type of insurance may no longer be necessary. The value of a car decreases as time goes by. To gauge whether this type of insurance makes sense, compare the value of the car, and the cost of repairing it, to the cost of the collision insurance premiums. The most cost effective solution may be to assume the risk of repairing your car yourself.

While evaluating your renter's or homeowner's insurance, be sure to consider whether you have added any items of monetary significance to your home in the past few years. If you have purchased expensive jewelry, furs, or other big-ticket items, you may need to add some insurance coverage for these items.

Make it a habit to review your insurance coverage whenever a policy comes up for renewal. You will save yourself from being underinsured in certain situations and will save money by eliminating unnecessary coverage in others.

## Guest Registration

Family and Guests staying for more than 1 day will need to be registered by the Owner or authorized Unit Manager/realtor at the management office or may submit an email request to [Rentals@theyachtclubataventura.com](mailto:Rentals@theyachtclubataventura.com)

## HO6 – Condominium Owners Insurance

The statutes and laws in the state of Florida that govern Condominiums and Insurance are very specific as to what is the owner's responsibility and what is the Condominiums responsibility. It is standard practice and **highly recommended that unit owners purchase insurance for their contents and the interiors of their units as well as for liability**. All of the buildings in the property are fully insured to cover any/all aspects of common area damage that may occur; however, **this insurance does not cover any damage that may occur inside an individual unit owner's premises that was caused by a neighboring or adjacent unit**. Therefore, it is advisable that all unit owners take the time to reach out to a qualified insurance agency to inquire about this policy. For **proof of flood insurance**, please send email request to [Management@theyachtclubataventura.com](mailto:Management@theyachtclubataventura.com)

## Trash Disposal

Garbage rooms are located at the end of the hall on each floor in every building. Do not leave your garbage bags AT THE BUILDING'S MAIN ENTRANCE DOOR, HALLWAY AND/OR TRASH ROOM FLOOR. Place your trash inside a plastic bag before disposing of it in the trash chute. If some debris falls out of the bag, please be responsible and clean it up. Thank you for your cooperation in this matter!
