4th of July Celebration

We would like to thank all the residents who came out to celebrate the 4th of July celebration hosted by Adelpia Realty. Everyone had a great time and there was lots of food and fun. Just a reminder for future celebrations, fireworks are not permitted on the beach front or from balconies. They present a serious safety hazard and this year especially could have cost the association significantly if the fire had spread more than it did.

Trivia Quiz -- I Scream, You Scream

Thunderstorm Safety

Along with summer's warm days come thunderstorms. Lightning is one of nature's most powerful and unpredictable killers. Golfing, swimming, boating, biking riding, mowing the lawn – almost any outdoor activity – can be dangerous if there's lightning around. So when you hear that rumble in the sky, heed these tips from the National Weather Service:

- If you can hear thunder, you're close enough to the storm to be struck by lightning.
- Listen to weather reports before you go outside for extended periods. Cancel picnics and such if thunderstorms are likely, or move the picnic indoors.
- If you're caught unexpectedly, move to a sturdy building or car (keep the windows up). Avoid small sheds, isolated trees, or convertible automobiles.
- If there's no shelter nearby, find a low spot away from trees, fences, and poles. In the woods, stay by the shorter trees.
- If you feel your skin tingle or your hair stand up, squat low to the ground on the balls of your feet. Put your hands on your knees and your head between them. Do not lie flat on the ground. Make yourself the smallest target possible.
- Move to higher ground if a flash flood or any flood seems likely. Abandon cars once a flood begins. Do not attempt to drive to safety. Most flash-flood deaths happen in cars.
