## Miami-Dade County Beaches Reopened Wednesday, June 10, 2020

Miami-Dade County Mayor Carlos Gimenez announced that beaches can reopen on Wednesday, June 10th. Please keep in mind the following guidelines as you prepare for some much awaited fun in the sun:

### BEACH GUIDELINES

Beginning Wednesday, June 10, beaches will be open seven days a week from 7 am - 8 pm. The reopening of the beach is a coordinated effort among all coastal cities in Miami-Dade County. Enforcement is a shared responsibility of the County, coastal municipalities, condominiums, and hotels. We urge everyone to follow the guidelines in place by the County to ensure the success of the reopening.

Miami-Dade County's guidelines for the beach are extensive and can be found in the [Miami-Dade County New Normal Handbook](#). Below are some of the key guidelines.

### KEY HEALTH PROTOCOLS

  - o Access to restrooms is limited to maintain 6 feet of separation between individuals
  - o Restrooms will be cleaned and disinfected every 2 to 3 hours

## GRILLING FOOD SAFELY

Nothing beats an outdoor barbecue! Make sure that you and your family are safe this summer every time you grill.

- Wash your hands before doing any food preparation.
- Keep every utensil and all cutting surfaces clean. Wash and sanitize cutting boards after cutting meat, poultry, or fish.
- Thaw foods in the refrigerator completely before grilling. Never thaw food on the countertop.
- Marinate meats in the refrigerator. Once the food is placed on the grill, discard excess marinade. Do not use this leftover marinade to baste food. To use leftover marinade as a sauce on cooked food, it must be brought to a rolling boil for several minutes before serving.
- Use a thermometer to check on the internal temperature of cooked meats. Beef should be cooked to at least 145 degrees, pork to 160 degrees, and poultry to 170 degrees. Ground meat should be cooked to 160 degrees.
- Transfer cooked foods from the grill to a clean plate or platter. Do not place cooked foods on a surface that has held raw meats.
- If food is left out for more than two hours, it should be discarded.
