Hurricane Season is here. Are you prepared? AFTER THE STORM

In General

- Stay tuned to local radio for information.
- Help injured or trapped persons.
- Return only after authorities advise its safe.
- Avoid dangling power lines & report them immediately to FP&L, police, or fire dept.
- Beware of snakes, insects, & animals driven to higher ground by floodwater.
- Take pictures of the damage, both to the house and its contents for insurance claims.
- Drive only if absolutely necessary and avoid flooded roads.
- Use telephone only for emergency calls.

Insurance & Claims

Report property damage to your insurance agent immediately. Your agent should provide you with claim forms and arrange for an insurance adjuster to visit your property and assess the damage. Make emergency repairs and document them. Keep all receipts and take photographs of the damages, before and after emergency repairs, to submit with your claim. Take precautions if the damages require you to leave your home. Secure your property. Remove valuable items. Lock windows and doors. Contact your insurance agent and leave a phone number where you can be reached.

No Water

The following are three purification methods, all of which kill microbes:

- **BOILING** is the safest way to purify water. Boil for 10 minutes.
- **CHLORINATION** uses pure, unscented, liquid chlorine bleach to kill microorganisms in water. Add 2 drops of bleach per quart of water, stir and let stand for 30 minutes.
- **PURIFICATION TABLETS** release chlorine and iodine into the water. They are available at most sporting goods stores and some drug stores. Follow the package directions.

Consumer Protection Tips

Home repairs after a disaster may be the most stressful time for a consumer. The following tips will assist you in identifying unlicensed contractors and con artists:

- Be extremely cautious of anyone coming to your home uninvited and offering to do home repairs.
- Insist on obtaining a written estimate or contract.
- Be sure the contract or business card has an address, telephone number and license numbers.
- Ask for references and check them out.
- Don't be pressured into making a quick decision.
- Insist on start and completion dates in the contract, and do not pay the final balance until the work is completed to your satisfaction.

Vehicle Registration & Decals

Please register your vehicle (s) at the management office and obtain a decal. Any vehicle without a decal will have a notice placed on the window. Below are the samples of the new Decals that will be used at Brickell Harbour to register and identify Bikes and Vehicles.
