MIAMI-DADE COUNTY LIFTS CURFEW

Beaches Reopened Wednesday, June 10

Effective Monday, June 8, 2020, Miami-Dade County Mayor Carlos Gimenez lifted the nightly countywide curfew.

The Mayor also announced that beaches reopened on Wednesday, June 10, which includes the beach in Sunny Isles Beach.

Please keep in mind the following guidelines as you prepare for some much awaited fun in the sun:

BEACH GUIDELINES

Beginning Wednesday, June 10, the beach will be open seven days a week from 7 am - 8 pm. The reopening of the beach is a coordinated effort among all coastal cities in Miami-Dade County. Enforcement is a shared responsibility of the County, coastal municipalities, condominiums, and hotels. We urge everyone to follow the guidelines in place by the County to ensure the success of the reopening.

Miami-Dade County's guidelines for the beach are extensive and can be found in the *Miami-Dade County New Normal Handbook*. Below are some of the key guidelines.

KEY HEALTH PROTOCOLS

- *No groups of more than 10 people will be permitted*
- All beachgoers must have a facial covering available and ready to use at all times; beachgoers must be able to show their mask upon request by local authority

- Persons involved in strenuous activity

- o Facial coverings must be worn in restrooms and when at concessions
- o Facial coverings that are wet are ineffective (beachgoers should bring an additional clean and dry face covering to replace a face covering that becomes wet or dirty)
- o Social distancing is not required for family members who reside together, up to a maximum of 10 people
- o Beachfront restrooms
 - Access to restrooms is limited to maintain 6 feet of separation between individuals
 - Restrooms will be cleaned and disinfected every 2 to 3 hours

ACTIVITIES ALLOWED

ALL COMMON AREAS OPEN TO RESIDENTS

As we continue to monitor the latest information from federal, state and local health officials, we want to remain proactive in preventing the potential exposure of COVID-19 to our community. We encourage everyone to take personal responsibility to assist us in maintaining a healthy environment for all. This includes practicing social distancing and staying away from public areas when possible. While information is changing rapidly, we will continue to provide you with the latest updates.

Closures & Service Changes:

- The gym, social room, pool area, media room and all common area restrooms are now open with restrictions.

Sanitization & Cleaning:

- Staff has placed sanitizer stations at the main entrance and main elevator entrance.

What you can do:

SUNNY ISLES BEACH BRANCH LIBRARY

The Sunny Isles Beach Branch Library has reopen to the public on an expanded schedule beginning **Monday, June 8**, with safety measures, including mandatory wearing of face masks or face coverings to enter and while in the library, social distancing and personal protective equipment for library patrons and staff at all MDPLS locations.

Miami-Dade County Bi-weekly Mosquito Control Treatments in Sunny Isles Beach

Beginning Friday, June 5, 2020 from 1 am - 5 am **Miami-Dade County Mosquito Control** will begin bi-weekly larvicide treatments on Sunny Isles Beach streets on Friday, June 5 from 1 am - 5 am. Miami-Dade County will deploy two state-of-the-art trucks that provide greater uniform ground coverage to effectively target breeding areas and reduce the mosquito population. These treatments will continue bi-weekly on Friday mornings. **While the trucks are a great tool in mosquito mitigation efforts, they do mimic the sound of a lawnmower. Please do not be alarmed if you hear them.*

The larvicide, VectoBac WG, has been approved by the EPA and is a safe, organic material, and one of the first bacterial larvicides to complete the World Health Organization Pesticide Evaluation Scheme. The EPA has determined VectoBac has no toxicity to people; it can be applied safely to mosquito habitats without a detrimental impact on food, crops or water supplies. While this treatment is safe, pets and humans should remain indoors when the trucks are in your area, as they will pass quickly and the treatment will settle.

BOAT DOCKS / ROCK REVENTMENT AREAS ARE CLOSED AND OFF LIMITS TO ALL RESIDENTS!!!

DO NOT LEAVE ANY UNWANTED ITEMS IN THE COMMON AREAS OF ANY FLOOR BY THE SERVICE ELEVATOR
