FLORIDA POWER & LIGHT (FPL) WILL LOWER CUSTOMER BILLS IN MAY

In response to the COVID-19 pandemic, beginning May 1, FPL plans to issue a one-time decrease of nearly 25% for the typical residential customer electric bill as a result of lower fuel costs. Business owners will also see a decrease in their bills, dependent by rate class. Customers can look for a decrease in their bill after May 1, 2020.

To further assist customers, FPL is also implementing the same policies that it does during crises and has suspended electrical disconnections, is providing payment extensions and is waiving late payment fees for customers in a hardship situation. All of these policies will remain in effect while Florida is under a state of emergency.

If you are having difficulty paying your monthly bill, you can contact FPL directly at 1-800-226-3545 and they will work with your personal situation to come up with a solution to ensure that you can fulfill your personal responsibility for your FPL balance.

For more information, visit [fpl.com/coronavirus](https://www.fpl.com/coronavirus).

National Hamburger Day May 28

Hamburgers are America’s favorite sandwich. What would a Memorial Day, or Fourth of July picnic be without the very American hamburger? So, it only fitting that we have a special day to celebrate our cherished burgers.

Hamburgers are American in origin. However, there is much controversy as to whether Hamburgers were first created in the 19th or the 20th century. We won’t fret over when they were first created. We’ll just savor the flavor.

Have it your way. You can cook them indoors on a frying pan. Add your favorite fixings. Cheese is all but a must. Then, there’s lettuce, tomatoes, pickles, onions, bacon, and so much more. And, don’t forget the condiments. Mustard, ketchup, and relish are the favorites.

The World’s Largest Burger: On September 2, 2012, the Black Bear Casino Resort in Carlton, Minnesota cooked the world’s largest hamburger at 2,014 pounds. That’s the equivalent of 8,056 Quarter Pounders!
