The demolition of the rear room has begun. Once completed the rear room will become an open porch for resident enjoyment. We are excited for the additional amenity and hope that it will be utilized by our residents.

Construction on the pool deck continues to move forward. Now that the waterproofing has been completed we are moving forward with the installation of the pavers.

The boardwalk behind our property has been completed and opened for residential use just in time for the Summer!

Tune-Up Tips

Your bags are packed, your maps are unfolded, and the kids all have their snacks. You and your family are ready for your road trip, but is your car? As the weather gets warmer, there are some things you should do to ensure that every trip, short or long, is a safe one.

Do a check of all of your exterior lights and windshield wipers. Look over your tires to make sure that the tread is not worn down. Don't forget to check your spare also. This is a great time to get out your jack, make sure it is in working order, and review how to use it.

Under the hood, check the belts, battery, and all fluid levels. It is a good idea to get a fresh oil and filter change before and after a road trip. Fill up the washer fluid reservoirs and wash all the windows.

Inside your vehicle, do a safety check of all of your seat belts. Check any car seats that are in your car, making sure that they have been installed according to the manufacturer's instructions. Keep a safety kit in your vehicle. This should include first aid supplies, a wrench, screwdriver, flashlight, safety flares, extra water, and some rags.
