

Thunderstorm Safety

Along with summer's warm days come thunderstorms. Lightning is one of nature's most powerful and unpredictable killers. Golfing, swimming, boating, biking riding, mowing the lawn – almost any outdoor activity – can be dangerous if there's lightning around. So when you hear that rumble in the sky, heed these tips from the National Weather Service:

- If you can hear thunder, you're close enough to the storm to be struck by lightning.
- Listen to weather reports before you go outside for extended periods. Cancel picnics and such if thunderstorms are likely, or move the picnic indoors.
- If you're caught unexpectedly, move to a sturdy building or car (keep the windows up). Avoid small sheds, isolated trees, or convertible automobiles.
- If there's no shelter nearby, find a low spot away from trees, fences, and poles. In the woods, stay by the shorter trees.
- If you feel your skin tingle or your hair stand up, squat low to the ground on the balls of your feet. Put your hands on your knees and your head between them. Do not lie flat on the ground. Make yourself the smallest target possible.
- Move to higher ground if a flash flood or any flood seems likely. Abandon cars once a flood begins. Do not attempt to drive to safety. Most flashflood deaths happen in cars.

Please Return Shopping Carts After Use

Shopping carts are provided for all residents to use. But we are finding residents are not returning them after each use.

It is not okay to leave them in the hall, on ramp at the service entrance, or in the elevator. After you use a cart, you must return it back down to the designated cart area.

FINES ARE COSTING US ALL!

Waste Management collects our Recycle Waste. Did you know that if we put unacceptable materials in the recycle bins we get fined \$130.00! Please be mindful of this unnecessary charge when you are discarding your recyclable waste.

ACCEPTABLE MATERIALS FOR RECYCLE

- Aluminum food & beverage containers
- Rigid container plastics # 1 – 2
- Paper
- Cardboard, **BROKEN DOWN**
- Tin cans & steel cans

UNACCEPTABLE MATERIALS FOR RECYCLE

- Plastic bags or plastic film
- Glass
- Wax or plastic coated items
- Foam containers / packing
- Light bulbs
- Wood / yard waste
- Household items: cooking pots, toasters, ect.

It costs the residents every time someone is not mindful. Please help us save money by avoiding these unnecessary charges.

Please only discard allowable recycle items in the recycle bins.
