DON'T FORGET...

Spring Forward...Fall Back...

Daylight Saving Time begins for most of the United States at 2 a.m. on the **Second Sunday in March** and lasts until 2 a.m. on the **First Sunday of November**.

**Be sure to set your clocks back one hour at
2 a.m. on November 3, 2019.**

This is also a great time to change the batteries in your smoke and carbon monoxide detectors. Many fire departments encourage people to change their batteries in these detectors when they change their clocks, because it can be so easy to forget otherwise. "A working smoke detector more than doubles a person's chances of surviving a home fire," says William McNabb of the Troy Fire Department in Michigan. More than 90 percent of homes in the United States have smoke detectors, but one-third are estimated to have worn-out or missing batteries.

That pumpkins are grown all over the world? Six of the seven continents can grow pumpkins including Alaska! Antarctica is the only continent that they won't grow in.

That the "pumpkin capital" of the world is Morton, Illinois? This self proclaimed pumpkin capital is where you'll find the home of the Libby corporation's pumpkin industry.

That the Irish brought this tradition of pumpkin carving to America? The tradition originally started with the carving of turnips. When the Irish immigrated to the U.S., they found pumpkins a plenty and they were much easier to carve for their ancient holiday.
