Miami-Dade County Beaches Reopened Wednesday, June 10, 2020

Miami-Dade County Mayor Carlos Gimenez announced that beaches can reopen on Wednesday, June 10th. Please keep in mind the following guidelines as you prepare for some much awaited fun in the sun:

BEACH GUIDELINES

Beginning Wednesday, June 10, beaches will be open seven days a week from 7 am - 8 pm. The reopening of the beach is a coordinated effort among all coastal cities in Miami-Dade County. Enforcement is a shared responsibility of the County, coastal municipalities, condominiums, and hotels. We urge everyone to follow the guidelines in place by the County to ensure the success of the reopening.

Miami-Dade County's guidelines for the beach are extensive and can be found in the [Miami-Dade County New Normal Handbook](#). Below are some of the key guidelines.

NATIONAL SELFIE DAY

Date When Celebrated: This holiday is always held on June 21. June 21 is National Selfie Day. It's a cinch to participate in this holiday. And, it's fun! Simply take your smartphone out of your pocket or purse, and take a selfie. Make sure to put on as big smile.

Selfies are extremely popular. Millions of them are taken each and every day. It kind of makes you wonder why we need a special day to encourage us to take a selfie. Most people believe selfies originated when smartphones came on the scene. Smartphones have built-in, hi pixel cameras, with a lens on both sides of the camera, making it easy to take a selfie. In actuality, selfies were around for a long, long time, they just weren't called "selfies". Back in the day of film-based cameras, some cameras had a delay feature on the camera. You could set the camera up on a table or tripod, aim it, and press the delay button (usually ten seconds). Then, you had to run to where the camera was aimed and pose. They were not called selfies. Enjoy Selfie Day and don't forget to SMILE!!
