WORD FROM THE PRESIDENT

Dear Residents;

We hope this Newsletter finds you well during these difficult times. Once again, I would like to thank our staff for keeping the building clean and safe for us to be able to be in a safe environment at all times.

We just want to share a couple of reminders. We ask that you flatten your boxes before bringing them down to receiving. A lot of residents have been dropping them off, leaving them on the floor of receiving. Do not throw large items or boxes down the chute, this will cause the chute to jam, backing up all the garbage.

Pool: We do not have a lifeguard. Children under the age of 12 should be accompanied by an adult over the age of 18. Do not send your children under 12 without the adult being present, while they wait for the adult to come down. Also, please do not let your children climb on the waterfall rocks. Do not allow them to run around without clothing. They must be covered at all times with their swim wear.

If you would like to use the treadmills or the recumbent bicycle please make sure you make your reservation through building link two days in advance in order that we can have staff disinfect the room and equipment after each use for your safety and health reasons.

Remember to social distance and wear your masks inside the building and on the pool deck (when you are not able to social distance or when people are not from the same household / family). Do not move the chairs we have in place on the pool deck. The way they are laid out is due to social distancing.

We know a lot of people are home more and we are noticing that there is still a problem with cigarette butts being flicked down landing on other people's terraces as well as the ground-floor furniture. We ask you to please stop this practice, to be safe and responsible and respectful of your neighbors. This is very dangerous as well.

Hope you all have a safe and wonderful fourth of July.

welcome
to **Tower 300!**
