COVID-19 SCAMS

Unfortunately, even in times of national emergencies when most of us will come together to help one another; criminals will still try to find a way to steal your hard-earned money and personal information.

SCAM #1

Law enforcement has already begun to see trends in which subjects are calling victims and claiming to be with a government agency such as the IRS or Health Department. These scammers are claiming that they need to verify your personal information such as name, date of birth, social security number, and mailing address in order to send out a stimulus check. Please do not verify any information as no government agency will call you unsolicited and ask you to provide your personal information over the phone.

SCAM #2

Some scammers are calling or showing up at victim's front doors claiming to be able to offer home test kits and/or vaccines for COVID-19. There are **NO** home test kits or FDA approved vaccines for COVID-19 at this time. Please do not provide any credit card payment information or money to these scammers. If they show up at your front door please contact the police department immediately.

SCAM #3

Scammers are calling pretending to be with the State Department or other government agency and claiming that a relative of the victim has been diagnosed with COVID-19 but is stuck somewhere out of the country. The scammers claim the victim must send money to either facilitate the return of their relative to the United States and/or to provide food and lodging to the relative until they can return. This is also a scam please do not wire any funds to any stranger.

A RECIPE YOU CAN EAT FOR BOTH PASSOVER AND EASTER

Frittatas are excellent for Easter brunch and any Passover meal, because they're not reliant on grains in any way and can be totally flexible to accommodate leftovers in the recipe. This recipe is Easter-appropriate, Passover-approved, and an excellent ways to celebrate spring.

Administrative Professionals (Secretary's) Day

Administrative Professional's Day: April 22, 2020

Administrative Professional's Week: The last full week in April - April 19-25, 2020.

National Professional Secretaries Week and National Secretary's Day was created in 1952 through the work of Harry F. Klemfuss of Young and Rubicam. Klemfuss recognized the importance and value of the secretarial position, to a company or business and to management. His goal in creating this special day was to encourage more women to become secretaries. (Nowadays, that would be both women and men). Using his skill and experience in public relations, Klemfuss, promoted the values and importance of the job that secretaries do. In doing so, he also created the holiday in recognition of the importance of secretaries.

The name of this special day has changed and evolved over the past few decades. Yet, the importance of recognizing these vital individuals has continued to grow. The two new terms in use today are: "Administrative Professionals" and "Executive Administrators (or Admins)". The two names sometimes mean different roles and responsibilities in different companies and organizations. Both are broader terms that encompass more positions than the original "Secretary" role.

Re: Executive Order 20-91

Dear Property Managers:

Please distribute the following to all your residents:

Governor DeSantis issued Executive Order 20-91 on April 1, 2020 (the "Order"). The provisions of the Order provide that senior citizens and individuals with significant underlying medical conditions ". . . shall stay at home and take all measures to limit the risk of exposure to COVID-19."

The Order also provides that ". . . all persons in Florida shall limit their movements and personal interactions outside the home to only those necessary to obtain or provide essential services or conduct essential activities." The second sentence **does not exclude** senior citizens from the term "all persons in Florida." Therefore, when reading the two sentences together, **the Order allows all persons in Florida**, which would include senior citizens, to travel outside their home for essential services or to conduct essential activities. As drafted, the Order is a "Safer at Home" Order not a "Stay Inside No Matter What Order," and would provide that:

- **Seniors may continue to go outside their home, for Essential Activities, Services, and Employment.**
- **All those, including Senior Citizens who provide, security, office / finance, janitorial, maintenance, property management, and other services which are essential to the continued successful operation of the Condo development.**

If you have any further questions, please contact my office.

Sincerely,

Ronald J. Wasson
City Manager
