FACIAL COVERINGS AT VILLA DORADA

Hello Residents of Villa Dorada,

As you may already know, Villa Dorada Condominium has reopened with a new normal. Dade-County restrictions for the common areas include the practice of social distancing and face coverings need to be worn.

Persons entering or walking through interior “Common Areas” of commercial buildings, residential cooperative buildings *are required to wear facial coverings.* “Common Areas” *include lobby/reception areas, hallways, elevators, mailrooms, fitness centers, clubhouse/meeting rooms, and stairwells.* The respective property managers/building managers shall be required to enforce this requirement.

Signs have also been posted in all Common Areas and elevators for your safety. Please adhere to the CDC and Dade-County guidelines.

How to Safely Wear and Take Off a Cloth Face Covering

Accessible: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>

WEAR YOUR FACE COVERING CORRECTLY

- Wash your hands before putting on your face covering
- Put it over your nose and mouth and secure it under your chin
- Try to fit it snugly against the sides of your face
- Make sure you can breathe easily
- Do not place a mask on a child younger than 2

USE THE FACE COVERING TO HELP PROTECT OTHERS

- Wear a face covering to help protect others in case you're infected but don't have symptoms
- Keep the covering on your face the entire time you're in public
- Don't put the covering around your neck or up on your forehead
- Don't touch the face covering, and, if you do, clean your hands

FOLLOW EVERYDAY HEALTH HABITS

- Stay at least 6 feet away from others
- Avoid contact with people who are sick
- Wash your hands often, with soap and water, for at least 20 seconds each time
- Use hand sanitizer if soap and water are not available

TAKE OFF YOUR CLOTH FACE COVERING CAREFULLY, WHEN YOU'RE HOME

- Untie the strings behind your head or stretch the ear loops
- Handle only by the ear loops or ties
- Fold outside corners together
- Place covering in the washing machine
- Wash your hands with soap and water

Cloth face coverings are not surgical masks or N-95 respirators, both of which should be saved for health care workers and other medical first responders.

For instructions on making a cloth face covering, see:

NATIONAL SELFIE DAY

Date When Celebrated: This holiday is always held on June 21. June 21 is National Selfie Day. It's a cinch to participate in this holiday. And, it's fun! Simply take your smartphone out of your pocket or purse, and take a selfie. Make sure to put on as big smile.

Selfies are extremely popular. Millions of them are taken each and every day. It kind of makes you wonder why we need a special day to encourage us to take a selfie. Most people believe selfies originated when smartphones came on the scene. Smartphones have built-in, hi pixel cameras, with a lens on both sides of the camera, making it easy to take a selfie. In actuality, selfies were around for a long, long time, they just weren't called "selfies". Back in the day of film-based cameras, some cameras had a delay feature on the camera. You could set the camera up on a table or tripod, aim it, and press the delay button (usually ten seconds). Then, you had to run to where the camera was aimed and pose. They were not called selfies. Enjoy Selfie Day and don't forget to SMILE!!
