Miami-Dade County Requires FACIAL COVERINGS IN PUBLIC

Effective as of 9 am on July 2, 2020, Miami-Dade County has issued **Amendment 1 to Emergency Order 20-20** requiring all persons throughout the County to wear a mask or other facial covering when in public.

A mask or other facial covering must comply with the recommendations of the CDC, as such recommendations may change from time to time. The current CDC guidelines recommend wearing a mask or facial covering which snugly covers the face and mouth, whether store bought or homemade, which is secured with ties or ear loops, include multiple layers of fabric, allow for breathing without restriction, and which is able to be laundered and machine dried without damage or losing shape.

Persons wearing facial coverings should review the CDC and Florida Department of Health guidelines regarding safely applying, removing, and cleaning such coverings, which are found at: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/how-to-wear-cloth-face-coverings.html>. Examples of compliant homemade masks and other facial coverings may be found at: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>. Persons should not utilize N95 rated masks, as those are critical supplies for health care workers, police, fire, emergency management, or other persons engaged in life/safety activities.

Masks and other facial coverings are NOT REQUIRED:

- at or inside a private residence or private automobile
- at or inside any religious institution, without limitation
- inside a hotel, motel, or commercial lodging establishment guest room, or inside any apartment
- of children under the age of two years
- of persons who cannot wear a mask or facial covering due to an existing medical condition
- of an individual who is hearing impaired or an individual who is communicating with an individual who is hearing impaired
- where federal or state safety or health regulations prohibit the wearing of facial coverings
- of persons actively engaged in strenuous physical activity, either inside or outdoors
- of persons swimming or engaged in other activities which may cause the facial covering to become wet
- while persons are actively eating, drinking, or smoking
- while a person is receiving services which require access to that person's nose or mouth

HO6 – Condominium Owners Insurance

The statutes and laws in the state of Florida that govern Condominiums and Insurance are very specific as to what is the owner's responsibility and what is the Condominiums responsibility. It is standard practice and **highly recommended that unit owners purchase insurance for their contents and the interiors of their units as well as for liability**. All of the buildings in the property are fully insured to cover any/all aspects of common area damage that may occur; however, **this insurance does not cover any damage that may occur inside an individual unit owner's premises that was caused by a neighboring or adjacent unit**. Therefore, it is advisable that all unit owners take the time to reach out to a qualified insurance agency to inquire about this policy. For **proof of flood insurance**, please send email request to Management@theyachtclubataventura.com

Trash Disposal

Garbage rooms are located at the end of the hall on each floor in every building. Do not leave your garbage bags AT THE BUILDING'S MAIN ENTRANCE DOOR, HALLWAY AND/OR TRASH ROOM FLOOR. Place your trash inside a plastic bag before disposing of it in the trash chute. If some debris falls out of the bag, please be responsible and clean it up. Thank you for your cooperation in this matter!
