City Of Hallandale Beach, Florida MEMORANDUM

DATE: March 21, 2019
TO: Beachside Condo Residents
FROM: Greg Chavarria, Interim City Manager
SUBJECT: Army Corps of Engineers Broward County Section III Beach
Renourishment

The City of Hallandale Beach was informed on March 20, 2019 that the Army Corps of Engineers Broward County Section III Beach Renourishment Project would commence in Hallandale Beach on March 25, 2019. The project contractors, Eastman Aggregates LLC, will begin staging equipment on the south side of the South Beach City Park parking lot starting March 21, 2019.

Throughout the course of this project, 125,000 cubic yards of beach-quality sand will be trucked in from an upland sand mine and placed on the shoreline from Mizell-Johnson State Park southward to the Miami-Dade County Line. This project is 100% federally funded via the Flood Control and Coastal Emergency Act (Public Law 84-99) and the Bipartisan Budget Act of 2018 (Public Law 115-123). All sand placed during this project will be above the mean high water (MHW) line to avoid water quality impacts. The impetus for this project was the critical erosion of southern Broward County beaches by Hurricane Irma in 2017.

Due to safety concerns, the south section of South City Beach Park's parking lot will be closed off for the purpose of staging construction equipment, crews, and trucks hauling sand. In addition, some access to the beach City-wide may be restricted during construction. Beach goers should use caution near the

Continued on page 2

Memo (cont. from page 1)

construction areas and stay out of the areas marked by orange fencing and barricades for their safety.

Eastman Aggregates, LLC will conduct work on the beach from 7 am to 5 pm Mondays through Fridays as the project progresses. If necessary, they may additionally work on Saturdays to ensure the project is done by the end of April and the official opening of sea turtle nesting season.

Project updates will be available on the web and social media, including the Jacksonville District, U.S. Army Corps of Engineers Facebook page: <https://www.facebook.com/JacksonvilleDistrict/> and on Twitter @JaxStrong, and at <https://www.saj.usace.army.mil/BrowardSegIII2018/>.

Fun with the Irish

Mahoney was at the police station being questioned by police after his wife died in an accident. “Did she say anything before she died?” asked the sergeant. “Actually she spoke without interruption for over forty years,” replied the Irishman.

Michael was on his deathbed when his wife Nora came in to him and asked if there was anything he wanted. He said, “What is that heavenly smell coming from the kitchen?” Nora replied, “Oh that is a ham I’m baking.” Michael paused and said, “I would love a piece of that ham if I may.” Nora said, “But Michael, you can’t—I’m saving it for the wake!”

An old man lived alone in Ireland and had depended upon his only son to help him with the farming. His son, however, had recently been locked away in prison. It was planting time, and the old man, not knowing what to do, wrote to his son in prison to ask his advice. He received this reply, “For heaven’s sake, don’t dig up that garden, that’s where I buried the GUNS!!” Early the next morning, a dozen British soldiers showed up and dug up the entire garden, but didn’t find a single gun. Confused, the man wrote to his son telling him what happened and asking him what to do next. His son replied, “Just plant your potatoes.”

A group of men were discussing the origin of the bagpipes. Several men from different nations claimed their ancestors to be the originators of the instrument. Finally an Irishman said, “Well, I’ll tell you the truth about it. The Irish invented them and sold them to the Scots as a joke. And the Scots haven’t seen the joke yet!”
