Happy Passover

HAPPY

PASSOVER!

Passover (in Hebrew, **Pesach**) commemorates the exodus of the Jews from slavery in Egypt. The holiday is ultimately a celebration of freedom, and the story of the exodus from Egypt is a powerful metaphor that is appreciated not only by Jews, but by people of other faiths as well. Wishing you and yours a happy and peaceful Passover.

Happy Easter

Colored eggs and marshmallow chicks. It must be that time of year again. May this Easter bring you all together for a great celebration filled with lots of joy, happiness and of course chocolate! Happy Easter to all of you from the staff at Brickell Bay Tower.

Matzo Ball Soup

Ingredients

- 2 (10 ounce) packages matzo crackers
- 1/2 cup butter
- 6 eggs
- salt and pepper to taste
- 3 tablespoons minced fresh parsley
- 2 onions, minced
- 5 ounces matzo meal
- 96 ounces chicken broth

Directions

1. Bring a large pot of lightly salted water to a boil.
2. Break matzo crackers into small pieces, and place in a large bowl. Add water to cover; allow to

soak for a few minutes, until soft. Drain off excess water.

3. Melt butter in a large skillet over medium heat and stir in drained matzos; stir until mixture is dry and slightly brown. Remove from heat, and mix in eggs, salt and pepper to taste, parsley, and onions.
4. Mix in just enough matzo meal to make mixture hold together. Roll one golf ball-size matzo ball. Place matzo ball in the boiling water to test the mixture. The ball must rise to the top of the water and not break apart. If it does not rise, then too much matzo meal was added. In this case, add another beaten egg to the mixture and try again. When de-

sired consistency is reached, roll all of mixture into golf ball size spheres.

5. In a large saucepan, bring chicken broth to a slow boil over medium heat; add balls to broth. Serve soup as the balls rise to the top of the broth.

Visitor Stay Restriction

At a duly held Board meeting, it was decided that for **ALL** visitors staying in the building for more than one night will have to be registered. The resident will have to provide a copy of the visitor's photo ID, phone number, and duration of stay to Management. Any visitor staying in the building for more than 15 days must be approved by Management.

This is going into effect **immediately**.

Earth Day fun facts

Earth day April 22, 2019

- On April 22, 1970, the first Earth Day was celebrated.
- Today Earth Day is the largest secular observance day in the world, celebrated by more than 1 billion people every year.
- 2020 marks the 50th anniversary of Earth Day.
- Over 193 countries around the world celebrate Earth Day.
- Earth Day was founded by Gaylord Nelson, he was a US Senator at that time.
- The first major international conference on environmental issues was held in 1972 in Sweden and UN sponsored it.
- The ringing of the Peace bell given by Japan is one of the highlighting moments on the annual Earth Day ceremony in UN. The bell is made from coins given by school children to further peace on Earth.
- Earth Day led to the creation of the Environmental Protection Agency (EPA).
- The shade and wind buffering provided by trees reduces annual heating and cooling cost by 2.1 billion dollars.
- The UN officially renamed Earth Day as the International Mother Earth Day in 2009.
- In 2000, Internet was for the first time used as a principle-organizing tool to celebrate Earth Day.
- Earth Day Network works towards increasing the awareness about recycling, planting trees and fighting against global warming and climate change.
- Earth Day Flag is also known as Ecology Flag.
- 10,000 Earth Day events are hosted around the world by Earth Day Network members.
- 2,000 colleges and 10,000 primary and secondary schools participated in the first Earth Day event.
- 1 in every 4 mammals is at the risk of extinction.
- Earth Day led to the passage of Clean Air Act, the water Quality Improvement Act, and the Endangered Species Act.
- 15% of all greenhouse gas emissions are resulted from deforestation.
- 100 endangered species of orchids are planted and maintained in Panama, to prevent their extinction in honor of Earth Day.
