HURRICANE SEASON NOTICE

Experts are forecasting an abnormally active hurricane season. Scientists at Colorado University predict up to 17 named storms, 8 hurricanes and 4 major hurricanes for 2021. Elevated predictions are taking into account warmer than average Atlantic waters which provide fuel for storms.

Don't wait until a hurricane warning. The best time to start is before a threat is imminent. Here's what you need to know:

- Plan your evacuation route well ahead of time.
- Keep non-perishable emergency supplies on hand.
- Take an inventory of your personal property.
- Review your insurance policy.
- Take steps to protect your home (if you have shutters, now is a good time to make sure they are working properly).
- Have a plan for your pets.

Vehicle Registration & Decals

Please register your vehicle (s) at the management office and obtain a decal. Any vehicle without a decal will have a notice placed on the window. Below are the samples of the new Decals that will be used at Brickell Harbour to register and identify Bikes and Vehicles.

TAX HUMOR

Most people don't find doing their taxes particularly humorous. So here is a way to poke fun at all things related to taxes-forms, accountants, audits, and deductions!

If a lawyer and an IRS agent were both drowning, and you could only save one of them, would you go to lunch or read the paper?

What's the definition of an accountant? Someone who solves a problem you didn't know you had in a way you don't understand.

Why did the auditor cross the road? Because he looked in the file and that's what they did last year.

What do accountants suffer from that ordinary people don't? Depreciation.

For every tax problem there is a solution which is straightforward, uncomplicated, and wrong.

People who complain about paying their income tax can be divided into two types: men and women.

A businessman on his deathbed called his friend and said, "Bill, I want you to promise me that when I die you will have my remains cremated." "And what," his friend asked, "do you want me to do with your ashes?" The businessman said, "Just put them in an envelope and mail them to the Internal Revenue Service and write on the envelope, 'Now you have everything.'"

If you love something, set it free. If it comes back, it will always be yours. If it doesn't come back, it was never yours to begin with. But... If it just sits in your living room, messes up your stuff, eats your food, uses your telephone, takes your money, and doesn't appear to realize that you actually set it free in the first place, you either married it or gave birth to it. Either of which is probably tax deductible.
