UPDATES

- It is imperative that you change your a/c filters every month, so that your a/c unit is properly maintained and cools normally.
- It is the responsibility of every tenant to inform the Management Office with at least 24 hours notice of any type of move, delivery, or contractor, that you may be having at Hollywood Station. We have to have proper documentation of all work and delivery/moving companies. If you do not inform the Office, you may be denied these services.
- Now that we are in the middle of Hurricane Season, please make sure to bring in all items from your balcony or terrace should you be going away for any amount of time.
- All dogs must be registered at the management office.

Please be advised that any party or large gathering at the Hollywood Station Pool is strictly prohibited at all times. While you may have guests in your home, please do not bring the “party” down to the pool deck. We do not allow extra tables, chairs, or furniture to be brought to the pool deck for your guests. Please use the lounge chairs and the chairs and tables on the pool deck for you and your guests, as this common area is treated on a first come, first served basis. All beverages have to be in plastic bottles or paper cups. Glass is not allowed on the pool deck. If you bring any music device, you must use ear plugs or keep

the level to a bare minimum. Please be respectful of the other residents at the pool, as well as the surrounding units adjacent to the pool deck. The pool is open to all residents, 7 days a week, from dawn to dusk. Please do not ask the Front Desk Attendants to keep the door open after that. Please obey any instruction from the Attendants. If you should have any questions, please contact the Management Office.

For those that are interested in renting a storage unit, please contact the Management Office.

Please note that any packages over 50 pounds will not be accepted from any courier. In addition, any package not picked up after 24 hours, will be subjected to being returned to sender, as we do not have extra space to store packages.

Gym hours are 6am – 11pm, 7 days a week, and will be strictly enforced.

PARKING GARAGE SPEEDING: It has come to the attention of the Management Office, that there are many vehicles in the garage that are speeding and going beyond the speed limit of 5 miles per hour. In addition, the stop signs are not being respected, and vehicles are blowing by them without stopping. It is extremely dangerous to be speeding in the garage and not stopping where indicated, as there are residents, sometimes with children, walk-

- You may have recently noticed blowers and fans in the hallway rugs. We are placing these in the hallways after we use the rug cleaners.
- All work being done inside of units or on the roof by a/c companies, plumbers, painters, etc. must be cleared by the management office at least 24 hours in advance with all proper insurance and license information. Please be aware that if this is not done, your contractors may be subject to being turned away and not allowed to go into your units.
- The 11th Floor Sports Lounge is currently closed.

Common area security deposits must be made by the owners who rent their units. In addition, every time we refund the deposit, it can only be made out to the name of the person who made the initial deposit.

Please park your vehicles in your designated parking spaces. You can only park in the valet area if you are paying for the monthly valet program and have a current parking permit & tag hanging on the rear-view mirror facing forward. Also, if you are renting a parking space from another unit, please make sure that the management office is aware of this. You may request the parking rental form via e-mail. Please note that we will be towing vehicles that are illegally parked in the Hollywood Station garage, or without parking barcodes, permits, and tags. This will be done at the vehicles' owners' expense.

If any unauthorized vehicles are parked in your spaces, please let the management office know immediately, as they will be subject to towing.

It has come to the attention of management that cigarette butts and other items have been raining down onto units on the pool deck. As a reminder, this is a nuisance, a violation of the rules, and against all common decency. We kindly ask that you discard all of these items within your own unit, and safely extinguish all cigarettes, and do not throw them over your balcony. If caught doing this, the association will issue fines.

- Please flatten all boxes prior to placing them in the recycling dumpster in the garage next to service elevator on the ground floor. There are now 2 large dumpsters for all recycling material.
