## Hurricane Season is Fast Approaching. ARE YOU PREPARED?

### Hurricane Season is June 1 to November 30

Hurricane preparedness is a natural part of living in Miami-Dade County. Below are some key tips to include in your personal hurricane plan. Make sure everyone in your household knows what they are supposed to do.

#### Have disaster supplies on hand.

- Flashlight and extra batteries
- Portable, battery-operated radio and extra batteries
- First aid kit and manual
- Emergency food and water
- Non-electric can opener
- Essential medicines
- Cash and credit cards
- Sturdy shoes

**Check your insurance coverage** and be sure it includes replacement coverage, especially for renters.

#### Evacuation Plans:

- **Rehearse your evacuation plan** with your household and leave extra time for traffic.
- If you live in an evacuation zone, make plans to move inland to a friend or family member's home.
- **Emergency Evacuation Assistance Program.** Residents who may need assistance evacuating from disaster should register for the Emergency Evacuation Assistance Program by calling the Office of Emergency Management at (305) 513-7700 to

receive an application. Applications are available in Creole, English and Spanish and can be downloaded from the OEM website: <http://www.co.miami-dade.fl.us/oem>.

#### COMMUNICATIONS:

- **Assign** someone in your home the job of a checking the weather everyday during Hurricane Season.
- **Develop an emergency communication plan.** In case family members are separated from one another during a disaster (a real possibility during the day when adults are at work and children are at school), have a plan for getting back together.

#### WATER IS LIFE:

- The most important part of your hurricane kit is water. Have 1 gallon per person per day.
- Your water heater can store several gallons of fresh water to use if there is no water pressure, especially in high-rise buildings.

#### PROTECT YOUR WINDOWS:

- Permanent shutters are the best protection. A lower-cost approach is to put up plywood panels. Use 1/2-inch plywood--marine plywood is best--cut to fit each window. Remember to mark which board fits which window. Pre-drill holes every 18 inches for screws. Do this long before the storm.

## A Mother's Love - Quotations for Mother's Day

- Youth fades; love droops, the leaves of friendship fall; A mother's secret hope outlives them all. - Oliver Wendell Holmes
- As a mother, even at the risk of her own life, loves and protects her child, so let a man cultivate love without measure toward the whole world. - Buddha
- My mother was the most beautiful woman I ever saw. All I am I owe to my mother. I attribute all my success in life to the moral, intellectual and physical education I received from her. - George Washington
- Whenever I'm with my mother, I feel as though I have to spend the whole time avoiding land mines. - Amy Tan
- The best way to keep children home is to make the home atmosphere pleasant - and let the air out of the tires. - Dorothy Parker
- No matter how old a mother is, she watches her middle-aged children for signs of improvement. - Florida Scott-Maxwell
- A mother is a person who seeing there are only four pieces of pie for five people, promptly announces she never did care for pie. - Tenneva Jordan
- Mothers are the most instinctive philosophers. - Harriet Beecher Stowe
- A man loves his sweetheart the most, his wife the best, but his mother the longest. - Irish proverb
- God couldn't be everywhere, so he created mothers - Jewish Proverb
- Being a full-time mother is one of the highest salaried jobs... since the payment is pure love. - Mildred B. Vermont
- A Freudian slip is when you say one thing but mean your mother. - Unknown
- The lullaby is the spell whereby the mother attempts to transform herself back from an ogre to a saint. - James Fenton
- All that I am or hope to be, I owe to my angel mother. No man is poor who has a godly mother. - Abraham Lincoln
- My mother had a great deal of trouble with me, but I think she enjoyed it. - Mark Twain
- My mother was the making of me. - Thomas Alva Edison

# ★ Have a safe ★ Memorial Weekend! ★

Memorial Day marks the beginning of the summer recreation season. It is also a time for accidents. Make sure that you and your family are safe this Memorial Day weekend by remembering these simple safety tips.

### Drive Safely

More people will be on the road on Memorial Day weekend, making for congested roads and highways. Don't forget to always wear your seatbelt, and observe all posted traffic signs and speed limits. It is especially important for children to be in proper child safety seats in your car. And never drink and drive!

### Play Safely

If you are going to be spending time near or on the water, don't forget to be safe. If you will be on a boat, wear a life jacket, follow all boating rules, and don't operate a boat while drinking. If you will be swimming, remember to swim with a buddy, swim only in safe water, and never dive into shallow water. All children should be supervised at all times around any type of water. If you will be spending any time in the sun, don't forget to use sunscreen and wear a hat.
