A SAFETY REMINDER

Many fire departments encourage people to change the battery in the smoke detector when they change their clocks, because it can be so easy to forget otherwise. "A working smoke detector more than doubles a person's chances of surviving a home fire," says William McNabb of the Troy Fire Department in Michigan. More than 90 percent of homes in the United States have smoke detectors, but one-third are estimated to have worn-out or missing batteries

FUN WITH THE IRISH

Mahoney was at the police station being questioned by police after his wife died in an accident. "Did she say anything before she died?" asked the sergeant. "Actually she spoke without interruption for over forty years," replied the Irishman.

Michael was on his deathbed when his wife Nora came in to him and asked if there was anything he wanted. He said, "What is that heavenly smell coming from the kitchen?" Nora replied, "Oh that is a ham I'm baking." Michael paused and said, "I would love a piece of that ham if I may." Nora said, "But Michael, you can't—I'm saving it for the wake!"

An old man lived alone in Ireland and had depended upon his only son to help him with the farming. His son, however, had recently been locked away in prison. It was planting time, and the old man, not knowing what to do, wrote to his son in prison to ask his advice. He received this reply, "For heaven's sake, don't dig up that garden, that's where I buried the GUNS!!" Early the next morning, a dozen British soldiers showed up and dug up the entire garden, but didn't find a single gun. Confused, the man wrote to his son telling him what happened and asking him what to do next. His son replied, "Just plant your potatoes."

A group of men were discussing the origin of the bagpipes. Several men from different nations claimed their ancestors to be the originators of the instrument. Finally an Irishman said, "Well, I'll tell you the truth about it. The Irish invented them and sold them to the Scots as a joke. And the Scots haven't seen the joke yet!"

Easy Irish Soda Bread

- 4 cups all-purpose flour
- 4 tablespoons white sugar
- 1 teaspoon baking soda
- 1 tablespoon baking powder
- 1/2 teaspoon salt
- 1/2 cup margarine, softened
- 1 cup buttermilk
- 1 egg
- 1/4 cup butter, melted
- 1/4 cup buttermilk

1. Preheat oven to 375 degrees F (190 degrees C). Lightly grease a large baking sheet.
2. In a large bowl, mix together flour, sugar, baking soda, baking powder, salt and margarine. Stir in 1 cup of buttermilk and egg. Turn dough out onto a lightly floured surface and knead slightly. Form dough into a round and place on prepared baking sheet. In a small bowl, combine melted butter with 1/4 cup buttermilk; brush loaf with this mixture. Use a sharp knife to cut an 'X' into the top of the loaf.
3. Bake in preheated oven until a toothpick inserted into the center of the loaf comes out clean, 45 to 50 minutes. Check for doneness after 30 minutes. You may continue to brush the loaf with the butter mixture while it bakes.

Ask me about your options to refinance your house with almost zero out of pocket!

GET READY FOR TAX TIME

The first step to preparing your taxes is organization of your records. Use this list of commonly needed documents to help you with this year's tax return.

- W-2s
- 1099s
- Statements you've received from your employer or the government, both state and federal
- Interest earned statements
- Interest paid statements
- Notice of distribution from partnerships, estates, or trusts
- Records of unemployment insurance
- Records of Social Security benefits
- Social Security numbers for you, your spouse, and any dependents
- Receipts for deductible expenses, including business, moving, childcare, medical, and home office expenses
- Records of charitable contributions
- Your tax return booklet with label

Although this list is not comprehensive, it is a good start on your way to preparing for your tax preparation.
