HURRICANE SEASON NOTICE

Experts are forecasting an abnormally active hurricane season. Scientists at Colorado University predict up to 17 named storms, 8 hurricanes and 4 major hurricanes for 2021. Elevated predictions are taking into account warmer than average Atlantic waters which provide fuel for storms.

Don't wait until a hurricane warning. The best time to start is before a threat is imminent. Here's what you need to know:

- Plan your evacuation route well ahead of time.
- Keep non-perishable emergency supplies on hand.
- Take an inventory of your personal property.
- Review your insurance policy.
- Take steps to protect your home (if you have shutters, now is a good time to make sure they are working properly).
- Have a plan for your pets.

TAX HUMOR

Most people don't find doing their taxes particularly humorous. So here is a way to poke fun at all things related to taxes-forms, accountants, audits, and deductions!

If a lawyer and an IRS agent were both drowning, and you could only save one of them, would you go to lunch or read the paper?

What's the definition of an accountant? Someone who solves a problem you didn't know you had in a way you don't understand.

Why did the auditor cross the road? Because he looked in the file and that's what they did last year.

What do accountants suffer from that ordinary people don't? Depreciation.

For every tax problem there is a solution which is straightforward, uncomplicated, and wrong.

People who complain about paying their income tax can be divided into two types: men and women.

A businessman on his deathbed called his friend and said, "Bill, I want you to promise me that when I die you will have my remains cremated." "And what," his friend asked, "do you want me to do with your ashes?" The businessman said, "Just put them in an envelope and mail them to the Internal Revenue Service and write on the envelope, 'Now you have everything.'"

If you love something, set it free. If it comes back, it will always be yours. If it doesn't come back, it was never yours to begin with. But... If it just sits in your living room, messes up your stuff, eats your food, uses your telephone, takes your money, and doesn't appear to realize that you actually set it free in the first place, you either married it or gave birth to it. Either of which is probably tax deductible.

Penne with Chicken and Asparagus

- 1 (16 ounce) package penne pasta
- 5 tablespoons olive oil, divided
- 2 skinless, boneless chicken breast halves - cut into cubes
- salt and pepper to taste
- garlic powder to taste
- 1/2 cup low-sodium chicken broth
- 1 bunch asparagus spears, trimmed, cut on diagonal into 1-inch pieces
- 1 clove garlic, thinly sliced
- 1/4 cup Parmesan cheese

Bring a large pot of lightly salted water to boil. Add pasta, and cook until al dente, about 8 to 10 minutes. Drain, and set aside. Warm 3 tablespoons olive oil in a large skillet over medium-high heat. Stir in chicken, and season with salt, pepper, and garlic powder. Cook until chicken is cooked through and browned, about 5 minutes. Remove chicken to paper towels. Pour chicken broth into the skillet. Then stir in asparagus, garlic, and a pinch more garlic powder, salt, and pepper. Cover, and steam until the asparagus is just tender, about 5 to 10 minutes. Return chicken to the skillet, and warm through. Stir chicken mixture into pasta, and mix well. Let sit about 5 minutes. Drizzle with 2 tablespoons olive oil, stir again, then sprinkle with Parmesan cheese.
