## A SAFETY REMINDER

Many fire departments encourage people to change the battery in the smoke detector when they change their clocks, because it can be so easy to forget otherwise. "A working smoke detector more than doubles a person's chances of surviving a home fire," says William McNabb of the Troy Fire Department in Michigan. More than 90 percent of homes in the United States have smoke detectors, but one-third are estimated to have worn-out or missing batteries

## FUN WITH THE IRISH

Mahoney was at the police station being questioned by police after his wife died in an accident. "Did she say anything before she died?" asked the sergeant. "Actually she spoke without interruption for over forty years," replied the Irishman.

Michael was on his deathbed when his wife Nora came in to him and asked if there was anything he wanted. He said, "What is that heavenly smell coming from the kitchen?" Nora replied, "Oh that is a ham I'm baking." Michael paused and said, "I would love a piece of that ham if I may." Nora said, "But Michael, you can't—I'm saving it for the wake!"

An old man lived alone in Ireland and had depended upon his only son to help him with the farming. His son, however, had recently been locked away in prison. It was planting time, and the old man, not knowing what to do, wrote to his son in prison to ask his advice. He received this reply, "For heaven's sake, don't dig up that garden, that's where I buried the GUNS!!" Early the next morning, a dozen British soldiers showed up and dug up the entire garden, but didn't find a single gun. Confused, the man wrote to his son telling him what happened and asking him what to do next. His son replied, "Just plant your potatoes."

A group of men were discussing the origin of the bagpipes. Several men from different nations claimed their ancestors to be the originators of the instrument. Finally an Irishman said, "Well, I'll tell you the truth about it. The Irish invented them and sold them to the Scots as a joke. And the Scots haven't seen the joke yet!"

## White Zone Association Parking

As you all know, the Association has several parking spaces used by the staff and to receive those vendors coming to work in the property. Parking is not allowed on these spots from 8am to 6pm Monday –Friday as stated on the posted signs. Specially on Mondays, the Wilshire staff has trouble finding parking. **As of now**, any car parked in these spaces after 8am will be **towed away at the owner's expense. No More Warnings Will Be Issued.**

## Wilshire Bingo Night

Anyone that is interested in playing Bingo, Wilshire has a group that meets every Wednesday at 7:00PM – 9:00PM in the Clubhouse. New players are always welcomed. Just stop by on Wednesday and join in on the fun.

## Pet Walking Inside the Property

Pet owners keep on walking their dogs from their units to the elevator, and housekeeping can't keep up with the cleaning of spots in the carpets after the dogs relieve themselves in the hallways. In addition to this, owners use any elevator and not the designated service elevator as it should be. In addition to this, visitors are bringing pets into the building and walking them through the lobby. Visitors are not allowed to bring their pets unless it is a service dog.

Please remember that you all live in a condominium and that it requires to follow rules of community living. You must only use the side and back doors of the building, you are not permitted to use the front entrance and you must only use the freight elevator. We are asking you kindly to please obey all the pet rules and regulations taking in consideration that you have been allowed to keep your pet in the community. Dogs are not permitted at the Wilshire only if your dog is grandfathered in or a registered service dog and they must still be registered with the office and you are still required to provide the office with current vaccination information. Violation to the rules may cause you a fine of \$100 per day to a Maximum of \$1,000 per incident.

## Illegal Dumping & Trash Disposal

No dumping is allowed in the service areas on both buildings, this attracts roaches that will end up in your apartments. In addition to this, if you have any delivery, for example a mattress; the company doing such delivery must take your old mattress. **Please do not leave anything on these service areas or you will be fined, cameras are recording 24/7.**

## Laundry Rooms

Please make sure you turn off the lights of the laundry room after you are done with your laundry, this helps the association with keeping the electrical bill on a budget. Also, make sure you use liquid laundry detergent and not powder as this causes the washers to clog and malfunction.
