Tis the Season Warm Weather Tune-Up Tips

Your bags are packed, your maps are unfolded, and the kids all have their snacks. You and your family are ready for your road trip, but is your car? As the weather gets warmer, there are some things you should do to ensure that every trip, short or long, is a safe one.

Do a check of all of your exterior lights and windshield wipers. Look over your tires to make sure that the tread is not worn down. Don't forget to check your spare also. This is a great time to get out your jack, make sure it is in working order, and review how to use it.

Under the hood, check the belts, battery, and all fluid levels. It is a good idea to get a fresh oil and filter change before and after a road trip. Fill up the washer fluid reservoirs and wash all the windows.

Inside your vehicle, do a safety check of all of your seat belts. Check any car seats that are in your car, making sure that they have been installed according to the manufacturer's instructions. Keep a safety kit in your vehicle. This should include first aid supplies, a wrench, screwdriver, flashlight, safety flares, extra water, and some rags.

Happy Father's Day

In the late 1800's, a baby girl, Sonora Smart, was born. Unfortunately, her mother died giving birth to her. The usual practice was to send such a child off to relatives who would care for her. But Sonora's father, William, chose to keep her close to home, raising the little girl along with her five siblings alone on a farm in eastern Washington.

Sonora grew up and married, becoming Sonora Smart Dodd. One day in 1909, she was sitting in church listening to a Mother's Day sermon. Thinking that her father deserved the same recognition as any mother did, she began an effort to designate a special day for fathers. The first Father's Day observance was held the following year in Spokane, Washington. She chose the month of June, the month of her father's birthday.

Within 15 years, this custom had spread across the country. In 1924, Calvin Coolidge issued the first presidential proclamation in support of Father's Day. President Richard Nixon made it a permanent designation in 1972. The third Sunday in June has become a National Day of Observance in honor of fathers everywhere. One woman's love for her father has inspired millions to honor their fathers as well.
