3. Someone who is an expert on flags is called what?
4. You will usually find the American flag flying over the White House. When is it not there?
5. What is required to display the American flag at night?

7. What does it mean when a flag is flown upside-down?
8. The American flag first flew over a fort in which foreign country?
9. Who cut the American flag into pieces and was honored for doing it?
10. What is the one place where the American flag flies 24 hours a day, is never raised or lowered, and is never saluted?

Tis the Season Warm Weather Tune-Up Tips

Your bags are packed, your maps are unfolded, and the kids all have their snacks. You and your family are ready for your road trip, but is your car? As the weather gets warmer, there are some things you should do to ensure that every trip, short or long, is a safe one.

Do a check of all of your exterior lights and windshield wipers. Look over your tires to make sure that the tread is not worn down. Don't forget to check your spare also. This is a great time to get out your jack, make sure it is in working order, and review how to use it.

Under the hood, check the belts, battery, and all fluid levels. It is a good idea to get a fresh oil and filter change before and after a road trip. Fill up the washer fluid reservoirs and wash all the windows.

Inside your vehicle, do a safety check of all of your seat belts. Check any car seats that are in your car, making sure that they have been installed according to the manufacturer's instructions. Keep a safety kit in your vehicle. This should include first aid supplies, a wrench, screwdriver, flashlight, safety flares, extra water, and some rags.

- Buy from reliable sellers.
- Use outdoors only.
- Always have water handy (a garden hose and a bucket).
- Never experiment or make your own fireworks.
- Light only one firework at a time.
- Never re-light a "dud" firework (wait 15 to 20 minutes and then soak it in a bucket of water).
- Never give fireworks to small children.
- If necessary, store fireworks in a cool, dry place.
- Dispose of fireworks properly by soaking them in water and then disposing of them in your trashcan.
- Never throw or point fireworks at other people.
- Never carry fireworks in your pocket.
- Never shoot fireworks in metal or glass containers.
- The shooter should always wear eye protection and never have any part of the body over the firework.
