Fireworks Safety

To help you celebrate safely this Fourth of July, the Consumer Product Safety Commission and the National Council on Fireworks Safety offer the following safety tips:

- Always read and follow label directions.
- Have an adult present.
- Buy from reliable sellers.
- Use outdoors only.
- Always have water handy (a garden hose and a bucket).
- Never experiment or make your own fireworks.
- Light only one firework at a time.
- Never re-light a “dud” firework (wait 15 to 20 minutes and then soak it in a bucket of water).
- Never give fireworks to small children.
- If necessary, store fireworks in a cool, dry place.
- Dispose of fireworks properly by soaking them in water and then disposing of them in your trashcan.
- Never throw or point fireworks at other people.
- Never carry fireworks in your pocket.
- Never shoot fireworks in metal or glass containers.
- The shooter should always wear eye protection and never have any part of the body over the firework.
- Stay away from illegal explosives.

**HAVE A HAPPY AND SAFE
4TH OF JULY**

White Zone Association Parking

As you all know, the Association has several parking spaces used by the staff and to receive those vendors coming to work in the property. Parking is not allowed on these spots from 8am to 6pm Monday –Friday as stated on the posted signs. Specially on Mondays, the Wilshire staff has trouble finding parking. **As of now**, any car parked in these spaces after 8am will be **towed away at the owner's expense. No More Warnings Will Be Issued.**

Wilshire Bingo Night

Anyone that is interested in playing Bingo, Wilshire has a group that meets every Wednesday at 7:00PM – 9:00PM in the Clubhouse. New players are always welcomed. Just stop by on Wednesday and join in on the fun.

Pet Walking Inside the Property

Pet owners keep on walking their dogs from their units to the elevator, and housekeeping can't keep up with the cleaning of spots in the carpets after the dogs relieve themselves in the hallways. In addition to this, owners use any elevator and not the designated service elevator as it should be. In addition to this, visitors are bringing pets into the building and walking them through the lobby. Visitors are not allowed to bring their pets unless it is a service dog.

Please remember that you all live in a condominium and that it requires to follow rules of community living. You must only use the side and back doors of the building, you are not permitted to use the front entrance and you must only use the freight elevator. We are asking you kindly to please obey all the pet rules and regulations taking in consideration that you have been allowed to keep your pet in the community. Dogs are not permitted at the Wilshire only if your dog is grandfathered in or a registered service dog and they must still be registered with the office and you are still required to provide the office with current vaccination information. Violation to the rules may cause you a fine of \$100 per day to a Maximum of \$1,000 per incident.

Illegal Dumping & Trash Disposal

No dumping is allowed in the service areas on both buildings, this attracts roaches that will end up in your apartments. In addition to this, if you have any delivery, for example a mattress; the company doing such delivery must take your old mattress. **Please do not leave anything on these service areas or you will be fined, cameras are recording 24/7.**

Laundry Rooms

Please make sure you turn off the lights of the laundry room after you are done with your laundry, this helps the association with keeping the electrical bill on a budget. Also, make sure you use liquid laundry detergent and not powder as this causes the washers to clog and malfunction.

Locked out of your apartment?

The Management office would be happy to assist you during Business hours Monday – Friday 8:00AM to 5:00PM. Make sure we have a copy to your unit in the office. If you need assistance after hours, please contact **ABC Locks at 305-935-1666**. The office will not be available to assist you after hours and weekends.
