MESSAGE FROM THE MANAGEMENT

Dear Residents:

FACIAL MASKS

CCW continues to follow the recommendations from the Center for Disease Control. We are asking for the cooperation from all residents to wear facial masks when in the premises, specially when entering in small confined spaces such as elevators, laundry rooms and any other areas. Residents who have not been vaccinated and need more information may visit <https://vaccines.gov>

We thank all residents for their continued support we strive at the Commodore Club West in making a pleasant and safe place to live.

VACCINATIONS

Please be advise that The Village of Key Biscayne is continuing to host vaccination pop-ups to offer residents free, easy access to the COVID-19 vaccine.

The next confirmed date is September 10 from 9 a.m. to 6 p.m. The vaccination site will be located inside the Key Biscayne Community Center, 10 Village Green Way.

No appointment is needed, this is a walk-up location offering Pfizer vaccines. The Pfizer vaccine (two doses) will be administered to patients 12 years old and older.

Thank you for helping keep the community Safe!

Best Regards,
Management

Hurricane Trivia

- Hurricanes were first named by people living in the West Indies. The name chosen was based on which saint's day it was when the storm hit.
- Around the end of the 19th century, an Australian meteorologist began giving women's names to tropical storms and hurricanes.
- It wasn't until 1953 that the U.S. National Weather Service started using women's names for storms. In 1979, men's names were added.
- A list of names is put together that includes names beginning with every letter of the alphabet except Q, U, and Z.
- Today, the World Meteorological Organization uses six lists in rotation, reusing the same list every six years. If a hurricane is particularly deadly or costly, the name is retired and a new name is chosen.
