REMINDERS AND TIDBITS FOR THE MONTH OF OCTOBER 2021

The Holiday Season is HERE

As of September 22, 2021, it is officially Autumn. That means pumpkins, apple cinnamon, family and friends... and food. With all the wonderful things about the holidays and this season, please be mindful of the Rules & Regulations which are in effect for the Association. Please do not hang any lights or decorations on your balcony rails or which may be visible from the exterior. Also, please do not place any window cling or decorations which may also be visible from the exterior. The Association does allow the Units to place a wreath or any other type of festive decoration on their door through the first week of the New Year. Please do not place any door mats outside your door, as they are a walkway hazard.

SAFETY REMINDERS:

- **Speed Limit** - The speed limit at the in Lofts and Courtyards are 5 MPH. This is a family community and we want to make sure our residents, including children and pets are safe. There are blind corners near our guest parking behind the Courtyard Townhomes and speeding around those corners could be very dangerous for pedestrians and oncoming traffic
- **Traffic Flow** - The property is set up with specific traffic flow designated by arrows/lines painted on the cement. Please adhere to these directional indicators as it can cause traffic and pedestrian safety issues.
- **Access Doors** - We all play a role in keeping our communities safe. Remember to stay vigilant and say something when you see signs of suspicious activity. It happens a lot of times where you come to the Front Door, Garage North/South Side doors and our stairwells exiting to Dixie Hwy where you can come across someone trying to obtain access. Please do not grant them access unless you are the individual they are going to see. Keep in mind that we need to all play our

Reminders (cont. from page 1)

part in keeping our building and community secure and we highly encourage you when exiting the building especially through the stairwells to please be mindful and close the door behind you when exiting and entering the building. Secure your unit front doors by keeping them locked at all times and locking your vehicles at all times in or outside the garage and familiarize yourself with the signs of suspicious activity and when you notice something out of the ordinary, report who or what you saw, when you saw it, where it occurred and why it's suspicious to the management office and local authorities (Broward Non-Emergency number 954-764-4357 or 9-1-1, in case of an emergency) This is for your safety and the safety of our community.

RULES REMINDERS:

- **Balconies** - Just a reminder, the only items allowed on balconies or patios are patio furniture and plant fixtures. No BBQ grills or other cooking devices are allowed on the balcony, patio or in your Unit. In addition, please do not throw any items, toys, or cigarette butts over the rails of your balcony.
- **Garbage/Dumpster/Recycle** - There are two (2) dumpsters on the condominium property and two (2) recyclable containers, in addition we also have one (1) cardboard container dumpster (boxes must be broken down). located inside the parking garage of the property. All trash must be contained and secured within garbage bags prior to placing in the dumpsters or trash chute. Please do not place bulk items down the trash chute which can cause damage to the chute or place bulk items inside the dumpsters as this can impose a fine by the City of Hollywood.
- **Bulk Items** - The Association does NOT have a bulk item removal service, nor are bulk items allowed to be disposed of in the dumpsters on property. Just because it "fits" in the dumpster area or down the trash chute it does not mean it will be removed. Please hire a Junk Removal company for any items which are large and

need to be thrown out. There is a bulk dump site which is available located at **5601 W. Hallandale Beach Blvd, West Park, FL (954-765-4999)**. Proof of residency in the City of Hollywood is required.

- **Pets** - Per Broward County animal ordinance; **dogs must always be on a leash**. This is also true while on property. You must also clean up after your pet. Avoid allowing pets to urinate on buildings, sidewalks, and front steps of the property. **We also ask that you please refrain from walking your pets in the Courtyards Townhomes please walk your pets on Dixie Hwy or on Van Buren Street only. No dog walking is allowed in the Courtyards Townhomes area**
- **Annual Rabies Records** - Just a reminder that all dogs who reside on property are required to have up to date Rabies shots. This is per Broward County. It is a requirement of the Association for proof of the Rabies shot to be submitted on an annual basis to the Management Office.

LOFTS NEWS:

- **Pool Reopening** - We have been working diligently with the City of Hollywood to re-open our pool. We are waiting for a scheduled date for the repair from the City of Hollywood, once we have a finalized date, we will let you know
- **Elevator Inspection** - Our elevator inspection for our certificate renewal will be held this December.
- **Contractors** - Please be aware that any contractor performing any services inside your unit whether scheduled by you or your landlord you will need to provide the association office with the contractor's certificate of insurance and business license. This is listed on the Rules and Regulations from the association. If you have any questions, please contact the management office

Don't Forget... *FALL BACK*

Daylight Saving Time begins for most of the United States at 2 a.m. on the **Second Sunday in March** and lasts until 2 a.m. on the **First Sunday of November**.

Be sure to set your clocks back one hour at 2 AM on Sunday, November 7, 2021.

This is also a great time to change the batteries in your smoke and carbon monoxide detectors. Many fire departments encourage people to change their batteries in these detectors when they change their clocks, because it can be so easy to forget otherwise. "A working smoke detector more than doubles a person's chances of surviving a home fire," says William McNabb of the Troy Fire Department in Michigan. More than 90 percent of homes in the United States have smoke detectors, but one-third are estimated to have worn-out or missing batteries.
