Did You Know?: Pomegranate Trivia

November is National Pomegranate Month.

- Pomegranates are grown in California and throughout Asia and the Mediterranean countries.
- Pomegranates can be refrigerated for up to two months or stored in a cool, dark place for up to a month.
- Pomegranates grow on a small tree that reaches five to eight meters tall.
- Pomegranate juice is popular in the Middle East and is used in Iranian and Indian cuisine. It was introduced to the American market in 2004.
- One pomegranate contains 40 percent of an adult's daily vitamin C requirement. It is also rich in folic acid and antioxidants.
- In ancient Babylonian mythology, the pomegranate was considered a "resurrection fruit," due to its restorative powers.
- The word grenade comes from the French word for pomegranate, as early grenades looked like pomegranates.

What is Chanukah?

In 2nd century BCE, in an effort to pull Jews away from Judaism and adopt the Greek culture – Hellenism, the Syrian-Greek regime of Antiochus outlawed aspects of Jewish observance, including the study of Torah, which began to decay the foundation of Jewish life and practice. In response, a band of Jewish settlers took to the hills of Judea in a revolt against this threat to Jewish life. Led by Matitياهو, and later his son Judah the Maccabee, this small band of devout Jews led guerrilla warfare against the Syrian army. Antiochus sent thousands of well-armed troops to crush the rebellion, but the Maccabees succeeded in driving the foreigners from their land.

Jewish fighters entered Jerusalem in December, 164 BCE. The Holy Temple was in shambles, defiled and desecrated by foreign soldiers. They cleansed the Temple and re-dedicated it on the 25th day of the Jewish month of Kislev. When it came time to re-light the Menorah, they searched the entire Temple, but only one small jar of oil bearing the pure seal of the High Priest could be found. Miraculously, the small jar of oil burned for eight days, until a new supply of oil could be brought. From then on, Jews have observed a holiday for eight days in honor of this historic victory and the miracle of the oil. Today, the observance of Chanukah, meaning “dedication” features the lighting of a special Chanukah menorah with eight branches (plus a helper candle), adding one new candle each night. Other customs include spinning the dreidel (a top with Hebrew letters on the sides), eating “oily” foods like potato latkes (pancakes) and sufganiyot (jelly donuts), and giving Chanukah gelt (coins) to children.
