FEEDING, ATTRACTING, SUPPORTING, OR ENTICING WILDLIFE

By-Laws, Article XVII, Rules and Regulations, Section 1. Condominium Rules Regulations, Paragraph 23.

BACKGROUND: The association is aware of several residents and unit owners engaging in feeding the wildlife within the condominium property. Communications in the form of verbal conversations, and cease and desist notifications by the association, have been delivered to the individuals engaging in feeding the wildlife. As of the time of this writing, such actions are continuing.

SITUATION: The feeding of the wildlife has resulted in the attraction of animals inside the condominium property, and sections of the parking lot asphalt surface, is now becoming covered in animal feces. This situation is unsanitary and as most will agree, does not provide for an aesthetically pleasing landscape within our community.

REMEDY: Effective immediately. Cease and desist feeding, supporting, attracting, or enticing the wildlife within the condominium property. Coastal Towers is a condominium property, not an animal rescue facility, or an animal shelter.

We are addressing this matter, and are planning to have it resolved by the end of this week. Options to remedy the situation may be in the form of contracting a company specializing in the removal of wildlife from the property, as well as resorting to legal remedies, in the form of demand letters by association attorney, fines, and even filing a cause of action at a court of nearest jurisdiction, to recover financial damages the association may incur in correcting the situation. The affected parking lot sections will be pressure washed by the end of week.

If you have any questions, or need additional information, please reach out to our property management team.

Best regards. Coastal Towers Condominium Association, Inc.

President

It has come to the attention of the association that some owners/renters are constantly throwing cigarette butts and throwing trash over their balconies.

PLEASE DO NOT THROW CIGARETTE BUTTS OFF YOUR BALCONY.

Cigarette butts can land on a balcony below you and could cause **FIRES** and/or damage someone’s balcony furniture or the vehicles below; even worse, could **seriously injure** someone. **This is a most crucial and severe safety and fire hazard issue.** Substantial fines will be imposed by the condo association to any resident that is caught causing this dangerous action. **Please cease these types of behavior.** Thank you for your cooperation and understanding.
