'Tis' The Season To Be Jolly

The Holiday spirit certainly has all of us here on the Wilshire staff feeling pretty happy and jolly. Here's hoping the spirit has caught you as well. From all of us to all of you, have a very Happy Holiday season and a Happy and Healthy New Year!

Wrap It Up!

Have you noticed that wrapping a gift can cost more than the gift itself? There are some ways to cut the cost of gift-wrapping. Try these tips this holiday season!

- Brown paper bags can be decorated with stamps, markers, or paint. Tie the top with yarn or raffia. Use white trash bags to wrap large or oddly shaped presents. Check your local newspaper office to see if they sell "ends" from the newsprint paper. You can decorate the paper in many different ways.
- Make the wrapping part of the present itself. Wrap a gift of clothing in a pretty scarf and tie it with a hair ribbon. A purse or small bag could hold another smaller gift. Use a tablecloth or towel to wrap up a gift. Check thrift shops for old tins, hatboxes, or fabric remnants that would make great gift containers. Baskets make great gift holders.
- Use curling ribbon instead of other bows or ribbon. It is cheaper and can give a wrapped gift a very festive look. Make tags by cutting up holiday cards from the year before. Simply cut around an image from the front and write on the back. Punch a hole in one corner and thread curling ribbon through it. Tie it on your package for a nice touch.
- Finally, buy your wrapping paper for next year at the after Christmas sales this year. You can save up to 75% off. Place it in a plastic bag to keep it clean and dry.

White Zone Association Parking

As you all know, the Association has several parking spaces used by the staff and to receive those vendors coming to work in the property. Parking is not allowed on these spots from 8am to 6pm Monday –Friday as stated on the posted signs. Specially on Mondays, the Wilshire staff has trouble finding parking. **As of now, any car parked in these spaces after 8am will be towed away at the owner’s expense. No More Warnings Will Be Issued.**

Pet Walking Inside the Property

Pet owners keep on walking their dogs from their units to the elevator, and housekeeping can’t keep up with the cleaning of spots in the carpets after the dogs relieve themselves in the hallways. In addition to this, owners use any elevator and not the designated service elevator as it should be. In addition to this, visitors are bringing pets into the building and walking them through the lobby. Visitors are not allowed to bring their pets unless it is a service dog.

Please remember that you all live in a condominium and that it requires to follow rules of community living. You must only use the side and back doors of the building, you are not permitted to use the front entrance and you must only use the freight elevator. We are asking you kindly to please obey all the pet rules and regulations taking in consideration that you have been allowed to keep your pet in the community. Dogs are not permitted at the Wilshire only if your dog is grandfathered in or a registered service dog and they must still be registered with the office and you are still required to provide the office with current vaccination information. Violation to the rules may cause you a fine of \$100 per day to a Maximum of \$1,000 per incident.

Illegal Dumping & Trash Disposal

No dumping is allowed in the service areas on both buildings, this attracts roaches that will end up in your apartments. In addition to this, if you have any delivery, for example a mattress; the company doing such delivery must take your old mattress. **Please do not leave anything on these service areas or you will be fined, cameras are recording 24/7.**

Laundry Rooms

Please make sure you turn off the lights of the laundry room after you are done with your laundry, this helps the association with keeping the electrical bill on a budget. Also, make sure you use liquid laundry detergent and not powder as this causes the washers to clog and malfunction.

Locked out of your apartment?

The Management office would be happy to assist you during Business hours Monday – Friday 8:00AM to 5:00PM. Make sure we have a copy to your unit in the office. If you need assistance after hours, please contact **ABC Locks at 305-935-1666**. The office will not be available to assist you after hours and weekends.

SNOW RIDGE ICE WINE

Real icewine can only be made reliably every year in Canada and most years in Germany because it requires a very specific climate. The grapes have to stay on the vine until the winter, usually until Jan or Feb, where they freeze solid at -9 degrees Celsius (15 Fahrenheit). Until the grapes are harvested, they freeze and thaw repeatedly, and all of the flavors get concentrated, with a lot of the water lost. They are then pressed in a hydraulic press when they are still frozen solid. The water remains behind in the press as solid ice. What comes out is the essence, a thick syrup of the grape with tremendously concentrated flavors and sugars. When it's fermented, it makes this beautiful sweet dessert wine. When you smell and taste it, you're right away struck with its tremendously powerful aroma and flavor.
