INTERNATIONAL WOMEN'S DAY

March 8th. International Women's Day, an international holiday, has been set aside to recognize the achievements and successes of women the world over. March 8th marks one of the first organized actions by working women anywhere in the world. On this day in 1857, hundreds of women garment and textile workers went on strike in New York City protesting against low wages, long working hours, and inhumane working conditions. The event ended in violent struggles with police.

*"Our lives shall not be sweated from birth until life closes,
 For our hearts starve as well as bodies
 Give us bread, but give us roses."*

(The anthem of striking mill workers in Lawrence, Massachusetts, 1912.)
