Hurricane Season is Fast Approaching. ARE YOU PREPARED?

Hurricane Season is June 1 to November 30. Below are some key tips to include in your personal hurricane plan. Make sure everyone in your household knows what they are supposed to do.

Have disaster supplies on hand.

- Flashlight and extra batteries
- Portable, battery-operated radio and extra batteries
- First aid kit and manual
- Emergency food and water
- Non-electric can opener
- Essential medicines
- Cash and credit cards
- Sturdy shoes

Check your insurance coverage and be sure it includes replacement coverage, especially for renters.

Evacuation Plans:

- **Rehearse your evacuation plan** with your household.
- If you live in an evacuation zone, make plans to move inland to a friend or family member's home.
- If you are electrically dependent you should evacuate for any category of tropical storm or hurricane.
- **Emergency Evacuation Assistance Program.** Residents who may need assistance evacuating from disaster should register for the Emergency

Evacuation Assistance Program by calling the Office of Emergency Management at (305) 513-7700 to receive an application. Applications are available in Creole, English and Spanish and can be downloaded from the OEM website: <http://www.co.miamidade.fl.us/oem>.

Communications:

- **Develop an emergency communication plan.** In case family members are separated from one another during a disaster (a real possibility during the day when adults are at work and children are at school), have a plan for getting back together.

Pets:

- Evacuation Centers will only accept service animals for people with disabilities. Make plans to board your pets with friends or at an inland pet shelter.

Water Is Life:

- The most important part of your hurricane kit is water. Have 1 gallon per person per day.
- Your water heater can store several gallons of fresh water to use if there is no water pressure, especially in high-rise buildings.

OVEN ROASTED PARMESAN CORN ON THE COB

- 5 ears corn, husks and silk removed
- ½ cup mayonnaise
- 1 cup shredded Parmesan cheese
- 1 tablespoon chili powder
- 1 teaspoon ground black pepper
- 2 tablespoons chopped fresh parsley

Preheat oven to 400 degrees F (200 degrees C). Cut 5 squares of aluminum foil 1 1/2 times the size of the ears of corn; place each ear of corn in the center of a piece of foil. Stir mayonnaise, Parmesan cheese, chili powder, ground black pepper, and fresh parsley together in a bowl until it forms a thick paste; rub about 2 tablespoons of the paste over each ear of corn. Wrap the aluminum foil around the corn and seal. Arrange corn on a baking sheet. Bake in preheated oven for 10 minutes, turn, and continue baking another 10 minutes.
