## CHANGE YOUR CLOCK & CHANGE A BULB!

The National Fire Protection Association and the U.S. Consumer Product Safety Commission recommend that consumers change the battery in smoke and carbon monoxide detectors when we change the clocks for Daylight Saving Time.

While you've got the ladder out to check your smoke detectors, why not **change a bulb?**

Switching to energy efficient bulbs in your ceiling fixtures could save you \$30 a year **per bulb** on your electricity bill. Energy efficient lighting is particularly important in the fall when Daylight Saving Time ends and the days are shorter. The latest generation of energy-saving lighting includes low-energy halogen or LED lighting bulbs that fit in standard light sockets and provide pleasant, uniform light.

## Illegal Dumping & Trash Disposal

No dumping is allowed in the service areas on both buildings, this attracts roaches that will end up in your apartments. In addition to this, if you have any delivery, for example a mattress; the company doing such delivery must take your old mattress. **Please do not leave anything on these service areas or you will be fined, cameras are recording 24/7.**

## Laundry Rooms

Please make sure you turn off the lights of the laundry room after you are done with your laundry, this helps the association with keeping the electrical bill on a budget. Also, make sure you use liquid laundry detergent and not powder as this causes the washers to clog and malfunction.

## Locked out of your apartment?

The Management office would be happy to assist you during Business hours Monday – Friday 8:00AM to 5:00PM. Make sure we have a copy to your unit in the office. If you need assistance after hours, please contact **ABC Locks at 305-935-1666**. The office will not be available to assist you after hours and weekends.

## Pet Walking Inside the Property

Pet owners keep on walking their dogs from their units to the elevator, and housekeeping can't keep up with the cleaning of spots in the carpets after the dogs relieve themselves in the hallways. In addition to this, owners use any elevator and not the designated service elevator as it should be. In addition to this, visitors are bringing pets into the building and walking them through the lobby. Visitors are not allowed to bring their pets unless it is a service dog.

Please remember that you all live in a condominium and that it requires to follow rules of community living. You must only use the side and back doors of the building, you are not permitted to use the front entrance and you must only use the freight elevator. We are asking you kindly to please obey all the pet rules and regulations taking in consideration that you have been allowed to keep your pet in the community. Dogs are not permitted at the Wilshire only if your dog is grandfathered in or a registered service dog and they must still be registered with the office and you are still required to provide the office with current vaccination information. Violation to the rules may cause you a fine of \$100 per day to a Maximum of \$1,000 per incident.

# QUOTATIONS: OCTOBER

- Autumn is a second spring when every leaf is a flower. -- Albert Camus
- October is a symphony of permanence and change. -- Bonaro W. Overstreet
- There is something in October sets the gypsy blood astir. We must rise and follow her; When from every hill of flame, She calls and calls each vagabond by name. -- William Bliss Carman
- What I really want from music. That it be cheerful and profound like an afternoon in October. That it be individual, frolicsome, tender, a sweet small woman full of beastliness and charm. -- Friedrich Nietzsche
- There is no season when such pleasant and sunny spots may be light on, and produce so pleasant an effect on the feelings, as now in October. -- Nathaniel Hawthorne
- October is the fallen leaf, but it is also a wider horizon more clearly seen. It is the distant hills once more in sight, and the enduring constellations above them once again. -- Hal Borland
- Listen! The wind is rising, and the air is wild with leaves. We have had our summer evenings, now for October eves! -- Humbert Wolfe
- October. This is one of the peculiarly dangerous months to speculate in stocks in. The others are July, January, September, April, November, May, March, June, December, August, and February. -- Mark Twain
