### SAFETY TIPS FOR HOLIDAY DECORATING

The holiday season can bring lots of joy into our homes, but it's also a time for potential safety hazards. The following tips from the National Safety Council will help your family have a safe holiday.

#### Exterior Decorations

- Do not overload circuits with too many lights. Only use lights that are rated for outdoor use.
- Make sure that any extension cords running power to exterior lights are shielded from moisture and protected from the weather.
- Secure all exterior decorations to prevent accidents caused by wind or heavy snow.

#### Interior Decorations

- Do not buy a dry Christmas tree. Remember to water your tree every day.
- When buying an artificial tree, choose one that has been labeled fire-resistant.
- Check lights for broken sockets, frayed or bare wires, as well as any loose connections.
- Use no more than three light sets on any one extension cord.
- Be sure to use indoor lights only indoors, and outdoor lights outdoors.
- Turn off all lights on your tree and decorations when you go to bed or leave the house.
- Place the menorah and other candles out of the reach of children.
- Never leave burning candles unattended, and always supervise children when they're near candles.

Many Christmas plants, including mistletoe, holly berries, and amaryllis, can cause severe stomach problems if eaten. Keep them out of children's reach.

### Trash-Rooms Use And Care

- Breaking down boxes and not stuffing large bags down the chute is require. Large items should be carried to the trash room located by the front entrance.
- Ensure the regular garbage is tightly close and no dripping.
- No furniture, curtains, construction materials, electrical appliances, clothing, decorations such as paintings, vases, mirrors etc.

### Cuartos De Basura Uso Y Cuidado

- Romper las cajas y no meter bolsas grandes en el conducto. Los artículos grandes y las cajas deben llevarse al cuarto de basura ubicado en la entrada principal.
- Asegúrese de que la basura regular esté bien cerrada y sin goteo.
- No se permiten muebles, cortinas, materiales de construcción, electrodomésticos, ropa, adornos como cuadros, jarrones, espejos etc.

### Keeping Our Square Clean

We're bringing back our beautiful gardens. No one should throw cigarette butts or trash in the flower beds. If anyone sees items such as this, please pick them up and put them in the trash cans. Every little bit helps!

### Manteniendo Nuestra Plaza Limpia

Estamos trayendo de vuelta nuestros hermosos jardines. Nadie debe tirar colillas de cigarrillos o basura en los sembrados de flores. Si alguien ve artículos como este, recójalos y tírelos a los botes de basura. Cada poquito ayuda!
