APRIL IS STRESS AWARENESS MONTH

Stress is present in everyone's life. April is recognized as National Stress Awareness Month to bring attention to the negative impact of stress. Did you know that up to 60 percent of all visits to family physicians are stress related? And approximately 40 percent of employee turnover is related to stress. On an individual level, unmanaged stress is related to an increased risk of cancer, lung disease, heart disease, and suicide.

Some stress is normal. Stress can be negative, like a death, firing, or daily problems, or it can be positive, like planning a wedding, having a baby, or going on vacation. There are ways to manage the stress in your life. Consider these tips for coping.

Include exercise in your day, even if it is just a walk around the neighborhood. Exercise helps to dispel excess stress hormones from your body and boosts your energy level. Make sure you get enough sleep, at least seven to eight hours a night. Eat a healthy diet, limit alcohol and caffeine, and drink enough water each day. All of these will increase your general level of health, as well as decrease the effects of stress.

Make sure that you take time for yourself each day. Leave time in your schedule for activities that you enjoy. If you feel overwhelmed, try writing down every task that you want to accomplish each day, crossing them off as you go.

Identify those things that are particular stressors for you. Make a list of alternative approaches to dealing with these, and start by trying the easiest approaches first. If they don't work, try something else. Above all, be flexible in dealing with those things that are challenging in life.

Remember that no one is perfect. Learn to set priorities in your life and focus on completing them as well as you can. When you are confronted with a stressful situation, change what you can, and don't waste energy on what you can't change.

If you feel that the stress in your life is more than you can handle, there is help available. Seek the advice of a medical professional, mental health therapist, or a clergy member to explore all of your options.

DO YOU HEAR BUT NOT UNDERSTAND? WE CAN HELP!

Easy Korean Ground Beef Bowl

This Korean beef bowl is quick and easy to make. Serve over warm rice or spiralized vegetables.

Ingredients

- 1 pound lean ground beef
- 5 cloves garlic, crushed
- 1 tbsp freshly grated ginger
- 2 tsp toasted sesame oil
- ½ cup reduced-sodium soy sauce
- ½ cup light brown sugar
- ¼ tsp crushed red pepper
- 6 green onions, chopped, divided
- 4 cups hot cooked brown rice
- 1 tsp toasted sesame seeds

Heat a large skillet over medium-high heat. Add beef and cook, stirring and crumbling into small pieces until browned, 5 to 7 minutes. Drain grease. Stir in garlic, ginger, and sesame oil and cook until fragrant, about 2 minutes. Stir in soy sauce, brown sugar, and red pepper. Cook until beef absorbs some sauce, about 7 minutes. Add 1/2 of chopped green onions. Serve over hot cooked rice; garnish with sesame seeds and remaining green onions.
