MESSAGE FROM THE BOARD

Dear Delvista Residents,

A few important news and reminders as we head into May:

- 1- Airbnb/Short term rentals: We **do not** accept any Airbnb & short term rentals at Delvista Towers. If discovered and reported to the main office, violators will be sanctioned.
- 2- No parties or loud noises are permitted by the pool past 11pm. Please be mindful of your neighbors.
- 3- Stop means stop: be mindful of traffic signs and arrows in the parking lot.
- 4- Drive safely when you pull in or back out of your parking spot, so you don't scratch the car parked next to you.
- 5- Eating is not permitted on the pool deck; please use the Social Room only.
- 6- Please keep your main entrance door closed when cooking.

COMMUNITY NEWS:

- Calling all artists and painters at Delvista: want your art to cover our corridor and hallways? Send us pictures of your framed paintings. The board will review and select some of the outstanding ones to grace our corridors.
- Yoga Wednesdays at 7pm with Liz.
- Tennis League at Delvista is ongoing, drop-ins are always welcome.
- New Gas Propane BBQs will be added by the end of May.

HAVE A SAFE MEMORIAL DAY WEEKEND!

Memorial Day marks the beginning of the summer recreation season. It is also a time for accidents. Make sure that you and your family are safe this Memorial Day weekend by remembering these simple safety tips.

Drive Safely

More people will be on the road on Memorial Day weekend, making for congested roads and highways. Don't forget to always wear your seatbelt, and observe all posted traffic signs and speed limits. It is especially important for children to be in proper child safety seats in your car. And never drink and drive!

Play Safely

If you are going to be spending time near or on the water, don't forget to be safe. If you will be on a boat, wear a life jacket, follow all boating rules, and don't operate a boat while drinking. If you will be swimming, remember to swim with a buddy, swim only in safe water, and never dive into shallow water. All children should be supervised at all times around any type of water. If you will be spending any time in the sun, don't forget to use sunscreen and wear a hat.

Chicken with Lemon-Caper Sauce

- ½ cup all-purpose flour
- 1 pinch salt
- 2 (6 ounce) skinless, boneless chicken breast halves
- 2 tablespoons olive oil
- ¼ cup dry white wine
- ¼ cup lemon juice
- ¼ cup cold unsalted butter, cut into pieces
- 2 tablespoons capers, drained
- 2 lemon wedges

Mix together flour and salt in a large dish. Coat chicken in flour mixture; shake off excess. Heat olive oil in a skillet over medium-high. Cook chicken oil until golden brown and cooked through, 3 to 4 minutes per side. A thermometer inserted into the center should read at least 165 degrees F. Transfer chicken to a plate; cover and keep warm. Pour wine into the skillet; allow to boil while scraping the cooked bits from the bottom of pan. Add lemon juice; boil until reduced by half, 2 to 3 minutes. Add cubed butter into boiling sauce. Stir continuously until butter is completely incorporated and sauce thickens. Remove from heat and stir in capers. Pour sauce over chicken; serve with lemon wedges.

DETECT-A-LEAK WEEK

Detect-a-Leak Week is held annually every May. This is the perfect time to give your home a once over, checking for leaks that may be costing you money! Even a small leak can add up to hundreds of dollars a year, and could damage surrounding fixtures, cabinets, or floors.

One of the biggest culprits is the toilet. You often cannot tell if your toilet is leaking simply by examining it. Place a few drops of food coloring, just enough to slightly color the water, in the main tank. Let it sit for several hours, then check the toilet bowl. If you see the color in the bowl, you have a leaky toilet and it needs to be repaired. Check for dripping faucets, pipes, and connections by examining all plumbing in your home. Use a lightweight cloth to wipe around each connection. If your cloth becomes wet, you have leaky plumbing that needs to be repaired.

Don't forget to stop those leaks that you can control! Turn faucets off all the way. Don't let water run when you brush your teeth. And don't use your toilet as a wastebasket. Instead of throwing items such as tissues in the toilet and flushing, use a small wastebasket in your bathroom instead.

Here is an early review of the new Genesis AI hearing aids:

"...I have been in just about [every] noise environment that could be produced [and] the Genesis hearing aids with the new Starkey app have worked fantastic[.] Using Edge Mode is easy and controls the sound very well even for the TV... Also the batteries stay charged up to 80% after a long day of hard usage. I'm happy I made the switch to them!" - **V. Taporowski**, Hear Again America patient
