Pool Permit Update

The Miami Building Department has re-directed the plans to Miami-Dade County for DERM review & WASD (Water & Sewer Department). Construction will begin upon receiving the final permitting information and approval which is estimated to be June 1, 2023. This date is contingent upon multiple factors and may be approved either earlier or later.

Access Control Update

The access control has been upgraded and all systems are working. The new car access control reader will be installed in 3 weeks. All residents will be required to complete a car registration form for the decal that will be installed on your vehicle. We will be sending out a car registration form via email and also place hard copies on your unit doors. Please submit the forms as soon as possible so installation is completed as quickly as possible. When reader is up and running, your FOB will no longer open the garage. FOB will only work in elevators and accessible doors. We will keep you updated on the installation date which will be in the month of June.

HO6 – Condominium Owners Insurance

The statutes and laws in the state of Florida that govern Condominiums and Insurance are very specific as to what is the owner's responsibility and what is the Condominiums responsibility. It is standard practice and **highly recommended that unit owners purchase insurance for their contents and the interiors of their units as well as for liability.** All of the buildings in the property are fully insured to cover any/all aspects of common area damage that may occur; however, **this insurance does not cover any damage that may occur inside an individual unit owner's premises that was caused by a neighboring or adjacent unit.** Therefore, it is advisable that all unit owners take the time to reach out to a qualified insurance agency to inquire about this policy. For **proof of flood insurance**, please send email request to Manager@SolarisBrickellBay.com

A Word from the Manager

Peggy Otano, LCAM

I would like to remind you that Hurricane Season is around the corner (June 1st) and it is never too early to start looking ahead and making necessary arrangements to prepare your unit, yourself and your family. Experts are forecasting an abnormally active hurricane season. Scientists at Colorado University predicts the Atlantic basin could see 19 named storms and nine hurricanes, four of which could be major Category 3, 4 or 5 whoppers.

Don't wait until a hurricane warning. The best time to start is before a threat is imminent. **Here's what you need to know:**

- Plan your evacuation route well ahead of time.
- Keep non-perishable emergency supplies on hand.
- Take an inventory of your personal property.
- Review your insurance policy.
- Take steps to protect your home
- Have a plan for your pets.

If your unit is vacant, or if you are leaving out of town during hurricane season, please make arrangements with friends, family, or neighbor to attend to your unit in your absence as management and building staff will not be available to enter units as they be protecting the building and then leaving property to protect their homes and families.

SHORT-TERM RENTALS ARE STRICTLY PROHIBITED

Please be advised that any unit found in violation will have all access control devices immediately deactivated and matter will be turned over to attorney at owner's expense. Renter's may also face eviction.

****ALL RENTALS MUST GO THROUGH THE
APPLICATION PROCESS****

Please respect the community by following all established procedures.
Thank you!

FOB's/Access Controls and Garage Parking

Please be informed that FOB's/Access Control for elevator and garage are only for Unit Owners and Renters. Guest, workers, realtors, or unit representatives must valet park and check in with front desk each time they come to the building. This is to maintain security in the building. Garage parking is only for owner and renters. FOB's are deactivated when owner sells unit and also expires at end of lease-please submit lease renewal to management to avoid deactivation. New residents must register the unit FOB with management to activate access under their names and dates.

A friendly reminder to please be mindful of your community. While in your unit be aware of small things that could potentially affect your neighbors. Odors such as smoke from a cigarette/cigar, cannabis, burning food, or trash could leave lingering odors behind. If you are a smoker, we suggest smoking in the balcony (with sliding door closed so smoke does not seep inside apartment/building) instead of inside the unit and bathrooms.

Expecting A Food Delivery?

Please notify the front-desk of your expected food delivery. The front-desk will **NOT** let your delivery be sent up without your authorization. Many times, the call does not go through and food deliveries are turned away. In order to avoid any inconvenience, please call the front-desk.

NO STORAGE OF ANY KIND ALLOWED

Items left here will be disposed of at your expense

No Items may be stored in garage: This includes boat motors, doggie strollers, toys, beach chairs, bags, boxes, furniture, or anything that you are storing. Only items permitted to be on

your space and folded up neatly, is a grocery cart and your vehicle. Association disposes of items and will not be responsible for missing or broken items that are removed.

Licensed Contractors

Protect yourself and your property, by only using licensed and insured contractors. Make sure anyone you hire are licensed and carry general liability & worker's compensation insurance. Do not use contractor's that have exemptions for worker's compensation. For additional information, please contact front-desk.

RECYCLING

JUST A REMINDER THAT SOLARIS ONLY RECYCLES CARDBOARD.

This is a reminder that our recycling container is only for cardboard. Do not place any packing materials including foam, ties, plastic, or anything that is not cardboard in the container as this flag the container as "contaminated" and we are fined for this on each occurrence.

Only cardboard should be placed in the marked container. All other material should be disposed of in a garbage bag and placed in the trash chute.

We will be monitoring the security cameras in this area more to prevent further incidents.

Your cooperation is greatly appreciated as we work hard to try to maintain cost and limit unnecessary increases for trash and recycling as much as possible.

Thank you, Peggy Otano, LCAM

CARDBOARD RECYCLING RULES:

- | | | |
|---|-------------------------------|--|
| 1 | 2 | 3 |
| Clean corrugated cardboard only | No packaging materials | Flatten boxes & deposit in bin |
| <p>No cartons or cereal boxes!</p> | | <p>Leave nothing on the ground!</p> |

If you like this program, please follow the rules!

Contacting Residents

It is extremely important to have a unit phone number if you rent your unit. It makes it impossible for the front desk to contact the resident and give access authorization to guests and food deliveries. Also, the management office has problems contacting the tenants/guests whenever an issue arrives because there is not a phone number inside the unit. Please be reminded, even if we have a cell number for the tenant a lot of the times the cell numbers do not work inside the building due to reception problems. You can place restrictions on your unit phone number to be available for local calls only. Your consideration to this matter is greatly appreciated.

PREVENTIVE MAINTENANCE

As the building ages, it is important for you to conduct preventive maintenance to the equipment inside your unit to prevent leaks that could cause damages to your unit and your neighbor's units. Please see below the most common cause of leaks in our community:

- Toilet flappers and Toilet Connections – Please have a licensed plumbing company inspect all the connections to your toilet to avoid any leaks.
Assist us in saving water and reducing the utility bills
- Washer and Dryer Hoses – Please have the washer and dryer hoses inspected on a regular basis as these deteriorate and cause leaks
- HVAC Units – Please make sure to conduct periodic maintenance to your HVAC Unit and have the filter replaced on a monthly basis.

These minor preventive maintenance measures can prevent major manages to our common areas and residential units in our building. If you need a list of preferred vendors or guidance, please contact the management office.

IMPORTANT PARKING REMINDERS

- ALL UNITS ONLY HAVE (1) SPACE ASSIGNED. DO NOT PARK IN ANY PARKING SPACE THAT IS NOT ASSIGNED TO YOUR UNIT.
- PARKING IN SOMEONE ELSE'S PARKING SPACE IS CONSIDERED TRESPASSING AND RESIDENT/MANAGEMENT HAS THE RIGHT TO HAVE VEHICLE TOWED WITHOUT GIVING NOTICE.
- MANAGEMENT AND BUILDING EMPLOYEES CANNOT LEASE/RENT OR GRANT ANYONE PERMISSION TO USE ANY ASSIGNED PARKING SPACES.
- ONLY RESIDENTS ARE ALLOWED TO PARK IN THE GARAGE.
- DO NOT GRANT ACCESS TO THE GARAGE TO YOUR FRIENDS OR FAMILY AS THEY WILL BE TOWED AT THEIR EXPENSE.

Dear Solaris Residents,

We want to keep your Amazon Hub Apartment Locker working for you! Our records indicate that Locker **Solaris** is constantly running out of locker space daily due to packages not being collected on by residents.

If you are not able to pick up packages within 2 days (or sooner if we are out of locker space) we will be removing your packages which will be held in our locked package room on the 2nd floor. You will need to wait until employee is available to access the package room. In order to avoid delays or waiting on your package, please pick up your package from the lockers same day they are delivered.

You may also call the front desk in advance so employee can get your package(s) ready for you to pick them up at front desk.

Please email management if you will be out of town so we can store any packages for you while you are away.

Your cooperation is appreciated.

Take a look around you. Everything you see is vulnerable if you don't have renter's insurance. Many renters think that their possessions are covered by their landlord's policy. But your landlord's policy typically only covers the structure and any liabilities the owner would face. Your possessions are not covered under this type of policy.

Why Do You Need Insurance? You may think your possessions aren't valuable enough to insure. But add up the cost of replacing everything you have. It is a significant amount of money. If you do not have enough savings to cover these expenses all at once, you need renter's insurance. Many policies also provide personal liability coverage, protecting you in the event that someone is injured at your home.

Isn't It Expensive? Renter's insurance can cost as little as \$15.00 a month. It all depends on how much coverage you want and where you live. Considering that you have no control over circumstances like fire, water damage, or burglary, this is a wise investment and gives you peace of mind.

Where Do I Get Renter's Insurance? Almost all insurance agents that sell homeowner's insurance also sell renter's insurance. Call several for quotes and choose the one that seems the most comprehensive and affordable for you. If you are interested in buying renter's insurance online, search for renter's insurance and you will find many companies willing to give you quotes by email. Some companies specialize in renter's insurance with low deductibles and the ability to purchase your policy online.

Keeping Your Home Beautiful:

It takes a lot of hard work to keep everything looking neat and beautiful, not only from our Staff but also by you the residents. We all need to work together and lend a helping hand. Please remember, our Janitorial Staff is not here around the clock. If your dog has an accident in the hallways or the elevators or if you spill something, please take a minute and clean it up. If you see something dirty or broken, please report it to the front desk or call the Management Office so it can be addressed immediately. Remember, this is your home so let's work together to keep it beautiful!
