It doesn't take much to remember that we have pets in our community. One of the most common forms of disease transmission between dogs is through fecal matter. When walking your dog in our community, remember that it should be leashed. Also, it is important to remember to immediately clean up after your pet. Take along a baggie with you to pick up waste with and then dispose of it properly. By taking a few simple steps to clean up after your pet, you can contribute not only to the beautification of our community, but also towards the elimination of one of the most irritating nuisances in our community.

As a reminder, pet owners are responsible for cleaning up after their pets at all times. Any accident occurring within the Common Areas of the Property must be cleaned by the owner or reported to the Front Desk for assistance immediately. Please help us maintain a clean, pet friendly building.

To help our community always look its best, please keep your pet away from the front entry of the building, loading dock and planters.

- Pet(s) MUST be restrained on a leash or carried at all times while traveling through the common areas.
- Pet(s) may only be walked in designated paths and areas for such purposes. Pets are not permitted in the recreational areas/facilities of the Condominium Property.
- All dogs MUST enter and exit through the side/back entrance of the building (west gate & west door).
- A maximum of one (1) domesticated pet may be maintained in a Unit & must be registered with Management office.
