MESSAGE FROM THE PRESIDENT

Hello everyone,

Summer’s gone, but the heat remains. An old political maxim says, “If you can’t stand the heat, get out of the kitchen.” Unfortunately, even the kitchen is cooler than the beach these days. Hopefully, we’ll feel a slight relief in the upcoming months.

The concrete work progresses slowly but does progress. Soon, we’ll replace the old rusty gates facing the BBQ area and install two new stainless steel ones. In October, we plan to hold a Board of Directors meeting where Nelson will give us a thorough update on what’s been done and what still needs to be accomplished. Among these topics, we will discuss replacing the exterior doors and windows with impact windows. This process will be tedious, complicated, and lengthy, but we have no choice.

Lastly, I’ve always said that the residents of Mar del Plata have consistently shown their generosity and concern for the great staff that attends to our needs. Unfortunately, one of our longtime employees is traversing a severe health issue. I won’t mention the person’s name or illness. Suffice it to say that it is extremely serious, but that’s not to state this person will not get through it. On the contrary—the will and commitment are there. All that’s needed is an assist from us. Besides offering our prayers (which are much appreciated), I’d like to appeal to your generosity once more, and please donate as much as you can to help this person get through a challenging time.

Donations will be accepted at the Management Office.

Thanks for your time,
Ernesto

 The goldenrod is yellow;
 The corn is turning brown;
 The trees in apple orchards
 With fruit are bending down.
 The gentian's bluest fringes
 Are curling in the sun;
 In dusty pods the milkweed
 It's hidden silk has spun.
 The sedges flaunt their harvest
 In every meadow nook;
 And asters by the brook-side
 Make asters in the brook.
 From dewy lanes at morning
 The grapes' sweet odors rise;
 At noon the roads all flutter
 With yellow butterflies.
 By all these lovely tokens
 September days are here,
 With summer's best of weather,
 and autumn's best of cheer.

First Day of Fall
 We may not be experiencing the signs here in South Florida, but throughout the country the first leaves have started turning colors, and the air is growing cooler and crisper, signifying the start of the Fall season. And it's Football Season – what better signal that Fall is here? Hope you enjoy the beautiful nights and days this season is sure to bring.
