DON'T FORGET...

Spring forward...Fall back...

Daylight Saving Time begins for most of the United States at 2 a.m. on the **Second Sunday in March** and lasts until 2 a.m. on the **First Sunday of November**.

Be sure to set your clocks back one hour at 2 AM on Sunday, November 5, 2023.

Change your clock,

CHANGE your batteries

This is also a great time to change the batteries in your smoke and carbon monoxide detectors. Many fire departments encourage people to change their batteries in these detectors when they change their clocks, because it can be so easy to forget otherwise. "A working smoke detector more than doubles a person's chances of surviving a home fire," says William McNabb of the Troy Fire Department in Michigan. More than 90 percent of homes in the United States have smoke detectors, but one-third are estimated to have worn-out or missing batteries.

Illegal Dumping & Trash Disposal

No dumping is allowed in the service areas on both buildings, this attracts roaches that will end up in your apartments. In addition to this, if you have any delivery, for example a mattress; the company doing such delivery must take your old mattress. **Please do not leave anything on these service areas or you will be fined, cameras are recording 24/7.**

Laundry Rooms

Please make sure you turn off the lights of the laundry room after you are done with your laundry, this helps the association with keeping the electrical bill on a budget. Also, make sure you use liquid laundry detergent and not powder as this causes the washers to clog and malfunction.

Locked out of your apartment?

The Management office would be happy to assist you during Business hours Monday – Friday 8AM to 5PM. Make sure we have a copy to your unit in the office. If you need assistance after hours, please contact ABC Locks at 305-935-1666. The office will not be available to assist you after hours and weekends.

Pet Walking Inside the Property

Pet owners keep on walking their dogs from their units to the elevator, and house-keeping can't keep up with the cleaning of spots in the carpets after the dogs relieve themselves in the hallways. In addition to this, owners use any elevator and not the designated service elevator as it should be. In addition to this, visitors are bringing pets into the building and walking them through the lobby. Visitors are not allowed to bring their pets unless it is a service dog. Please remember that you all live in a condominium and that it requires to follow rules of community living. You must only use the side and back doors of the building, you are not permitted to use the front entrance and you must only use the freight elevator. We are asking you kindly to please obey all the pet rules and regulations taking in consideration that you have been allowed to keep your pet in the community. Dogs are not permitted at the Wilshire only if your dog is grandfathered in or a registered service dog and they must still be registered with the office and you are still required to provide the office with current vaccination information. Violation to the rules may cause you a fine of \$100 per day to a Maximum of \$1,000 per incident.

HOW CAN I FIND BREAST CANCER EARLY?

The best way to find breast lumps that may be cancer is to do 3 things:

- Have regular mammograms.
- Have your doctor check your breasts.
- Check your breasts yourself every month.
- Doing all of these things gives you the best chance to find cancer as early as you can. Finding breast cancer early makes treatment much easier and more effective. More than 90 out of 100 women whose breast cancer is found early will be cured.

CHANGES TO LOOK FOR IN YOUR BREASTS

- Any new lump (which may not be painful or tender)
- Unusual thickening of your breasts
- Sticky or bloody discharge from your nipples
- Any changes in the skin of your nipples or breasts, such as puckering or dimpling
- An unusual increase in the size of one breast
- One breast unusually lower than the other

For more information you can visit the American Cancer Society's breast cancer Web site at www.cancer.org/ or call 800-ACS-2345. You can also visit the Breast Cancer Network's Web site at www.breastcancer.net.
