THE JEWISH HIGH HOLY DAYS

Rosh Hashanah and Yom Kippur are the most important of all Jewish Holidays and the only holidays that are purely religious, they are not tied to historical or natural events. They are observed in the fall season of the western calendar and the seventh month of the Jewish calendar - Tishri. Rosh Hashanah begins a 10-day period, known as the High Holy Days or Yamim Nora'im, a time of penitence and prayer that ends with Yom Kippur. Jews worldwide are given these 10 days to repent for their sins and ask God for forgiveness. "May you be inscribed in the Book of Life" is the common greeting during this period, as it is believed that on Rosh Hashanah God records the destiny of all mankind in the Book of Life. On Yom Kippur the Book is closed and sealed. Those that have repented for their sins are granted a good and happy New Year.

On Rosh Hashanah it is customary to eat foods that are sweet with flavor. This symbolizes the "sweetness and good fortune" of the New Year ahead. Foods flavored with honey, apples and carrots are commonly served. The Rosh Hashanah meal begins with apple and challah dipped in honey. Challah, the bread usually eaten on the Sabbath, is also specially prepared for the holiday. Instead of the traditional braided loaf, the Rosh Hashanah challah is round - symbolizing the cycle of the new year. The design of ladders or birds are added to the holiday challah by some families to commemorate the prayers rising to Heaven. On page 3, you will find a delicious recipe for a Honey Whole Wheat Challah for you to enjoy this Rosh Hashanah.
