RENTER'S INSURANCE

Take a look around you. Everything you see is vulnerable if you don't have renter's insurance. Many renters think that their possessions are covered by their landlord's policy. But your landlord's policy typically only covers the structure and any liabilities the owner would face. Your possessions are not covered under this type of policy.

Why Do You Need Insurance?

You may think your possessions aren't valuable enough to insure. But add up the cost of replacing everything you have. It is a significant amount of money. If you do not have enough savings to cover these expenses all at once, you need renter's insurance. Manv policies also

provide personal liability coverage, protecting you in the event that someone is injured at your home.

Isn't It Expensive?

Renter's insurance can cost as little as \$15.00 a month. It all depends on how much coverage you want and where you live. Considering that you have no control over circumstances like fire, water damage, or burglary, this is a wise investment and gives you peace of mind.

Where Do I Get Renter's Insurance?

Almost all insurance agents that sell homeowner's insurance also sell renter's insurance. Call several for quotes and choose the one that seems the most comprehensive and affordable for you. If you are interested in buying renter's insurance online, search for renter's insurance and you will find many companies willing to give you quotes by email. Some companies specialize in renter's insurance with low deductibles and the ability to purchase your policy online.

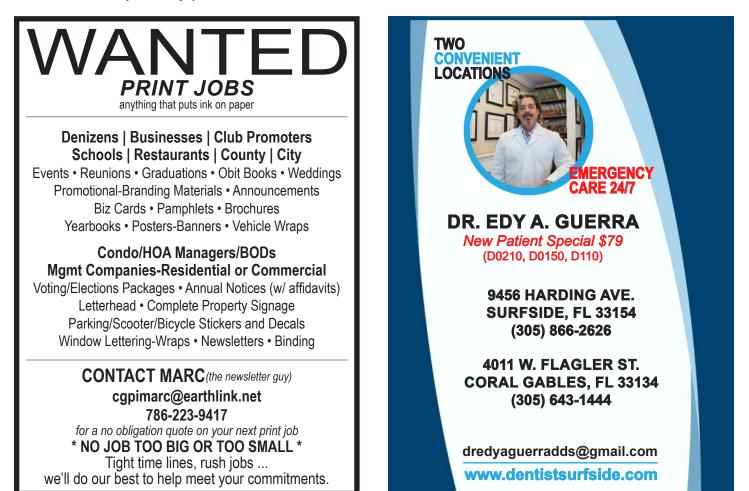

THE JEWISH HIGH HOLY DAYS

Rosh Hashanah and Yom Kippur are the most important of all Jewish Holidays and the only holidays that are purely religious, they are not tied to historical or natural events. They are observed in the fall season of the western calendar and the seventh month of the Jewish calendar - Tishri. Rosh Hashanah begins a 10-day period, known as the High Holy Days or Yamim Nora'im, a time of penitence and prayer that ends with Yom Kippur. Jews worldwide are given these 10 days to repent for their sins and ask God for forgiveness. "May you be inscribed in the Book of Life" is the common greeting during this period, as it is believed that on Rosh Hashanah God records the destiny of all mankind in the Book of Life. On Yom Kippur the Book is closed and sealed. Those that have repented for their sins are granted a good and happy New Year.

On Rosh Hashanah it is customary to eat foods that are sweet with flavor. This symbolizes the "sweetness and good fortune" of the New Year ahead. Foods flavored with honey, apples and carrots are

commonly served. The Rosh Hashanah meal begins with apple and challah dipped in honey. Challah, the bread usually eaten on the Sabbath, is also specially prepared for the holiday. Instead of the traditional braided loaf, the Rosh Hashanah challah is round - symbolizing the cycle of the new year. The design of ladders or birds are added to the holiday challah by some families to commemorate the prayers rising to Heaven. On page 3, you will find a delicious recipe for a Honey Whole Wheat Challah for you to enjoy this Rosh Hashanah.
