Gardens On The Bay Newsletter Update

We hope you all had a wonderful holiday season and that the New Year is off to a great start for you and your families.

On our end, we are pleased to share that we are nearing the completion of the electrical certification process. Additionally, we have already received three bids for the structural recertification. To ensure transparency and keep everyone informed, we are planning to hold a Zoom meeting soon, where we will present and discuss the proposals with all owners.

We would also like to remind all residents and owners to take a moment to review the building's rules and regulations. In particular, please be aware that plants and heavy furniture on balconies will need to be removed in the near future to comply with upcoming requirements.

Lastly, as we start the New Year, don't forget to stop by the office to pick up your updated parking decal. This is essential to ensure your vehicle is properly registered and avoids any inconvenience.

Thank you for your attention and cooperation as we continue working together to maintain and improve our community.

Warm regards,
Gardens on the Bay Board of Directors
