*Happy Valentine's Day*

*It's February and we can't help of Valentine's Day. We want to take a moment to celebrate the love and kindness within our community. Whether you're spending time with a loved one, friends, or simply treating yourself, we hope your month is filled with joy and warmth.*

**SPRING FORWARD**  
**Sunday March 8, 2026**

Daylight Saving Time begins for most of the United States at 2 a.m. on the **Second Sunday in March** and lasts until 2 a.m. on the First Sunday of November. **Be sure to set your clocks ahead one hour at 2 a.m. on Sunday, March 8, 2026.**

This is also a great time to change the batteries in your smoke and carbon monoxide detectors. Many fire departments encourage people to change their batteries in these detectors when they change their clocks, because it can be so easy to forget otherwise. "A working smoke detector more than doubles a person's chances of surviving a home fire," says William McNabb of the Troy Fire Department in Michigan. More than 90 percent of homes in the United States have smoke detectors, but one-third are estimated to have worn-out or missing batteries.

# ATTENTION PLEASE!

- If we do not have your guests in our system we will not allow them access, no verbal authorization is allowed! Please send us a WRITTEN authorization with owner signature. Please remember that only IMMEDIATE family are allowed to stay in the unit without owners being present. Owners MUST be present while all other guests stay in the unit.
- Cigarette butts must never be thrown off the balconies. Please make sure you and your guests and employees use ashtrays. Do not toss cigarette butts in front of our building!!
- If your delivery (i.e.: stove, dishwasher, bed etc.) any type of delivery....is not scheduled they will be turned away!
- Do not wash down your balcony, as the dirty water lands on the balconies below. Use a damp mop instead.
- Dogs must be carried or wheeled in a doggie cart through hallways, elevators and through the pool area at all times.
- All items that go down the trash chute must be placed in securely closed plastic bags. All items that do not fit in the trash chute easily must be taken to the first floor trash room for disposal. This includes most boxes,

including pizza boxes. Otherwise, the chute becomes blocked.

- When requesting the key for the bike room you must leave your driver's license with the concierge.
- When your individual air conditioning unit is replaced, the valves must also be replaced. Also, the management office needs to know three days in advance of the replacement.
- Contact the management or valet office if you will be having more than 10 cars as guests in your apartment.
- Remember to call the valet 10 minutes in advance at 305-932-8881, if you need your car.
- ATTENTION LEASEE: This is not a rental community. The employees of Mystic Pointe are here to maintain the common areas, not the units. Any work requested for the unit must be submitted in writing by the unit owner

**Sweaters from seaweed?**

A new effort to find a planet-friendly clothing material took a deep dive into fibers and landed on kelp. Yes, that's seaweed and it has some things going for it. It's abundant. It grows back easily. It doesn't contain pesticides or fertilizers, and isn't infected by microplastics. Plus, when kelp is turned into fiber, it helps create a flame-resistant, biodegradable, non-toxic material. The developer, Keel Labs, calls the kelp fiber kelsun and it has already partnered with Stella McCartney and Outerknown to release the clothes made of the fiber.
