Don't be Polite When it Comes to Security

One World Trade Center in New York City, has a security system that cost $20 million to purchase and install in 2008. Nonetheless, in 2016 a New Jersey teenager managed to get in and roam about for two hours. Everyone knows the security dangers in that scenario. Maintaining secure areas is a problem because people are so nice. They let their colleagues into the building, even when they are not sure they know the person. The most common causes of unauthorized entry into a building are piggybacking or tailgating.

Tailgating and piggybacking Tailgating occurs when one person properly enters a secure door but another follows, unbeknownst to the first person. Piggybacking is different because the piggybacker gets permission. The piggybacker actually asks for access (Hey! Hold the door!). Sometimes, people just hold the door for the person coming behind them.

The habit of courtesy.

Holding the door for someone is a deeply ingrained habit. If that person is carrying something large, like computer equipment, it is virtually seen as a requirement to hold the door. But that is a typical ruse. "If you ever used your access card to get into a building, then held the door open so someone who looked like he might work there can enter, you have participated in a security breach," says Mark Borto, CEO of Boon Edam, the leading manufacturer of security entrance solutions in North America.

Quoted in Bloomberg Businessweek, Borto also says, "The best access control systems in the world can be defeated by exploiting the fact that people are nice and will allow others to follow them through doors." Simple courtesy seems benign but it puts everyone at risk.

ATTENTION PLEASE!

- If we do not have your guests in our system we will not allow them access, no verbal authorization is allowed! Please send us a WRITTEN authorization with owner signature. Please remember that only IMMIDIATE family are allowed to stay in the unit without owners being present. Owners MUST be present while all other guests stay in the unit.
- Cigarette butts must never be thrown off the balconies. Please make sure you and your guests and employees use ashtrays. Do not toss cigarette butts in front of our building!!
- If your delivery (i.e.: stove, dishwasher, bed etc.) any type of delivery….is not scheduled they will be turned away!
- Do not wash down your balcony, as the dirty water lands on the balconies below. Use a damp mop instead.
- Dogs must be carried or wheeled in a doggie cart through hallways, elevators and through the pool area at all times.
- All items that go down the trash chute must be placed in securely closed plastic bags. All items that do not fit in the trash chute easily must be taken to the first floor trash room for disposal. This includes most boxes, including pizza boxes. Otherwise, the chute becomes blocked.
- When requesting the key for the bike room you must leave your driver's license with the concierge.
- When your individual air conditioning unit is replaced, the valves must also be replaced. Also, the management office needs to know three days in advance of the replacement.
- Contact the management or valet office if you will be having more than 10 cars as guests in your apartment.
- Remember to call the valet 10 minutes in advance at 305-932-8881, if you need your car.
- ATTENTION LEASEE: This is not a rental community. The employees of Mystic Pointe are here to maintain the common areas, not the units. Any work requested for the unit must be submitted in writing by the unit owner
